AMERICAN BEAUTY

For **Riley**, less is more. She's so hot and natural that she doesn't need any gimmicks or props to make her look sexy. Her cute, little tits jiggle as she rubs her fingers up and down her tight slit. They jiggle even more when she crams a fuck wand between her pussy lips and plunders her snatch. When a girl doesn't have to try to be scorching hot, she's the real deal. Riley Reid is the real, fucking deal.

HAIR PIE CLUB FOR WOMEN

Dark-haired diva **Raven Rockette** has got a sizzling snatch with a little something extra—her foxy fuckhole has a pelt. Blonde bush-eater **Mia** just happens to like a little fur on her furburger—a *little*. She moves into prime position behind Raven's beautiful butt and grabs it with two hands and slurps. She drinks deeply from Raven's deep-pink well, motorboating her swollen clit with her lips. Mia brings her close to orgasm and then backs off. There's a tight, curly black hair on her tongue. She pulls it out of her mouth and goes back to her poon. Mia straddles Raven's head and has a seat, resting her hairless twat on Raven's mouth. Seconds later, her pussy convulses with a powerful orgasm.

ALL GIRLS 18+

CELEBRITY HOTSHOTS **HOLLYWOOD GOES FULL-FRONTAL**

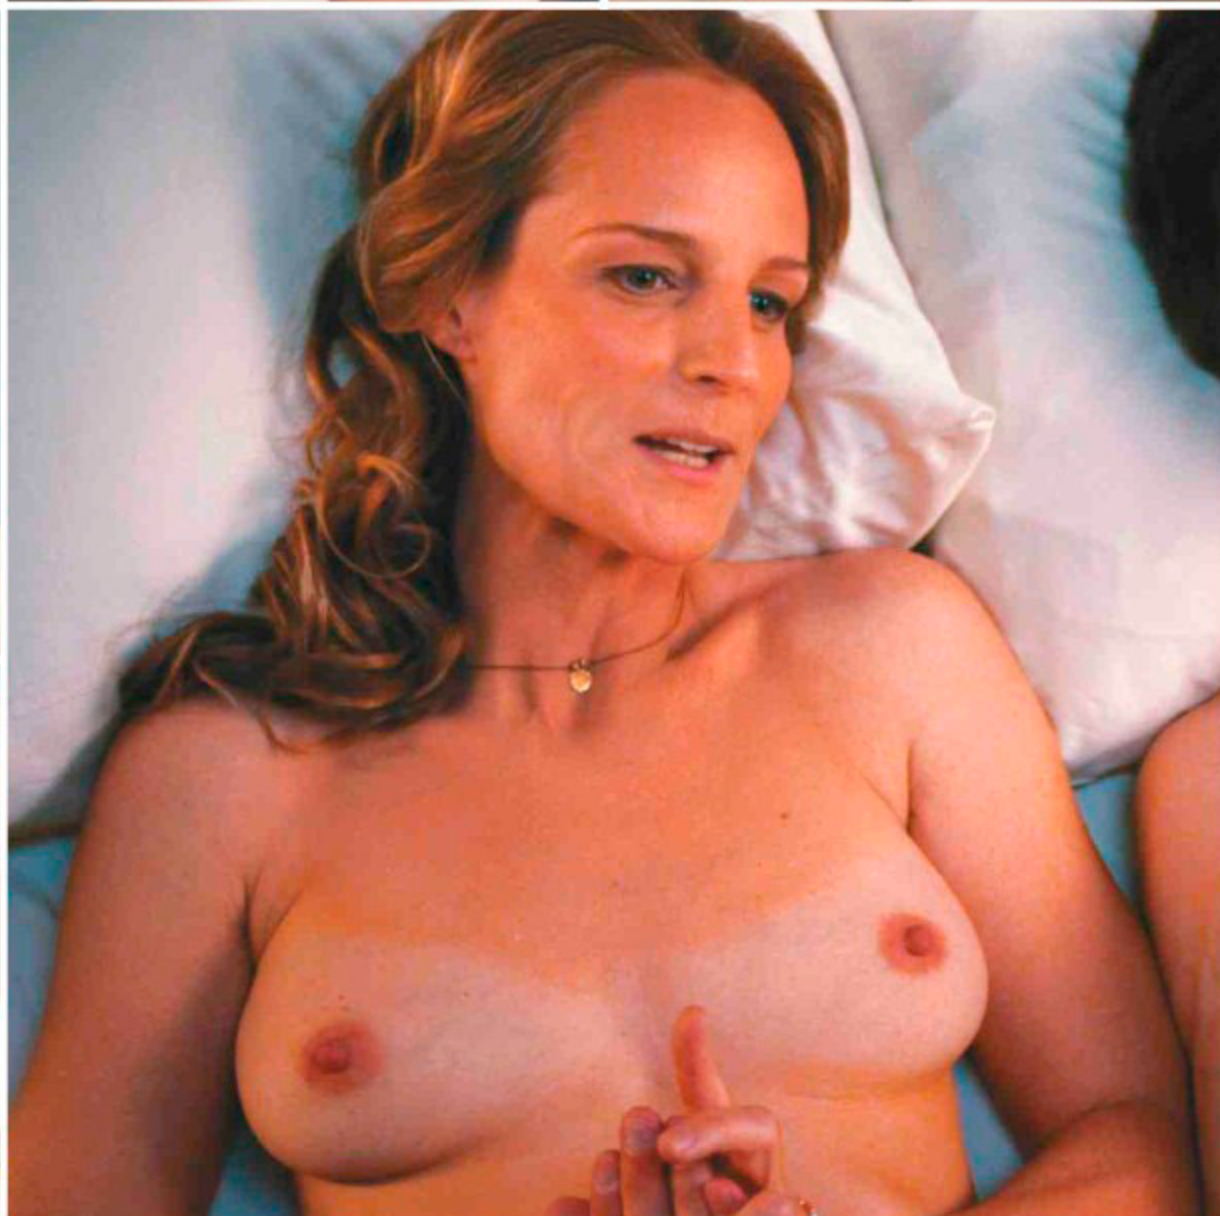

BY RAMSEY STEELE

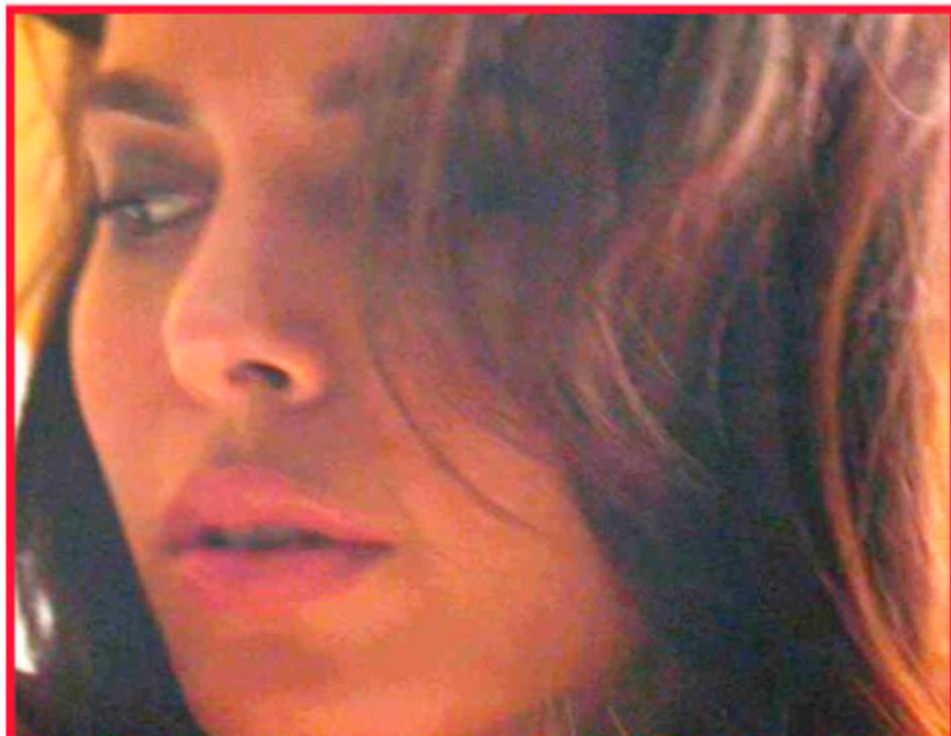

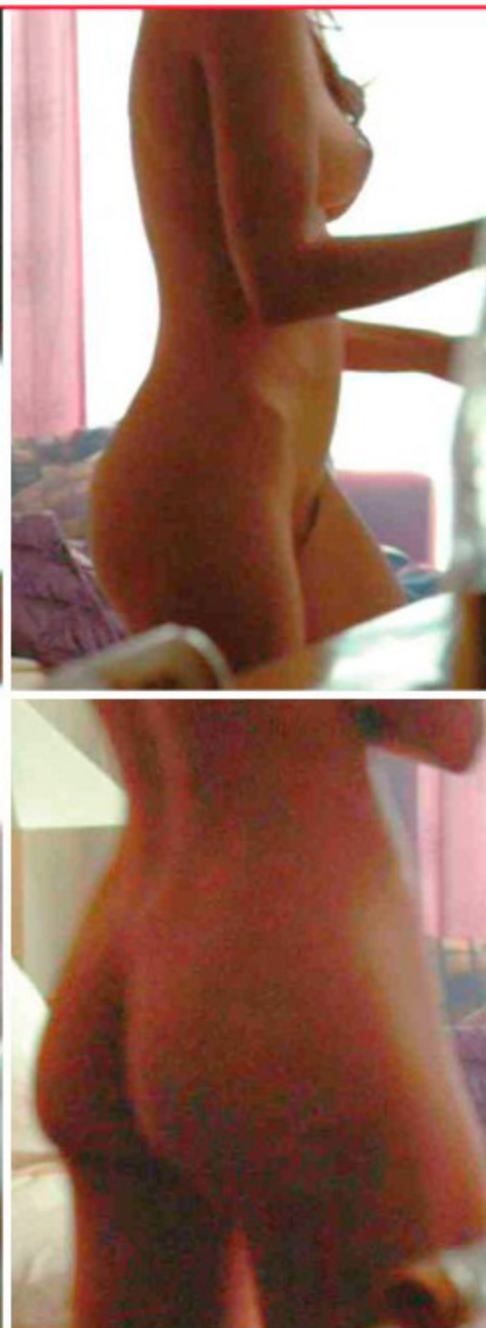

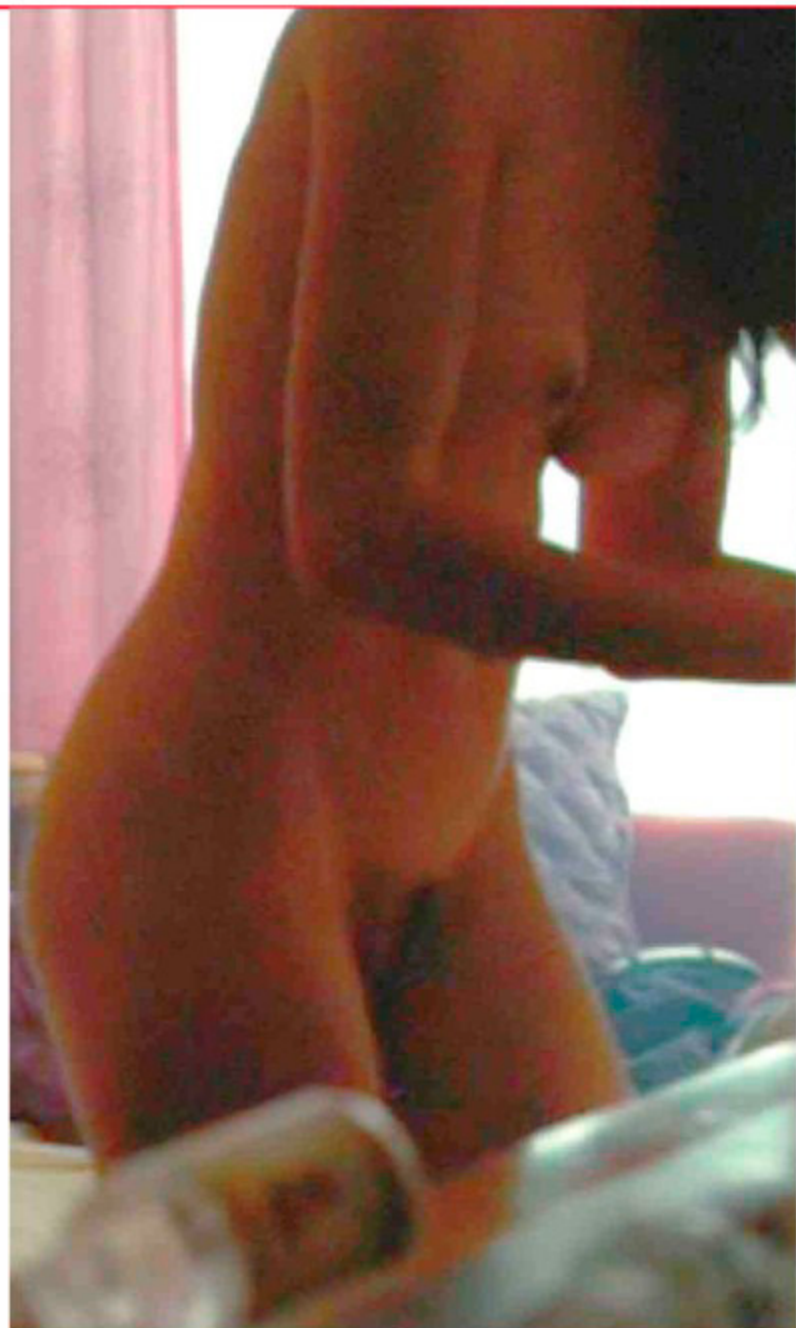

The history of cinema has always included women taking off their tops. Hell, it probably goes back to the first week that the movie camera was invented, when a horny Thomas Edison turned his creation toward his mistress and suggested, "Honey, I've got an idea!" That said, it takes a special kind of actress to remove her panties! Titties are one thing, sure (okay, two things), but baring the landing strip takes confidence, charm, pizzazz, and, well, a good-looking carpet that does or doesn't match the drapes! Come along and check out the following assortment of Hollywood's Hottest Full-Frontal Starlets and we're sure you'll agree that for these ladies, the furburger is in control!

HELEN HUNT
THE SESSIONS (2012)

Holy, Helen Hunt! The Academy Award-winning actress garnered her second Oscar nomination for her *unbelievably* revealing role as a sex surrogate hired to relieve a paralyzed poet of his virginity in the 2012 indie film originally entitled *The Surrogate*.

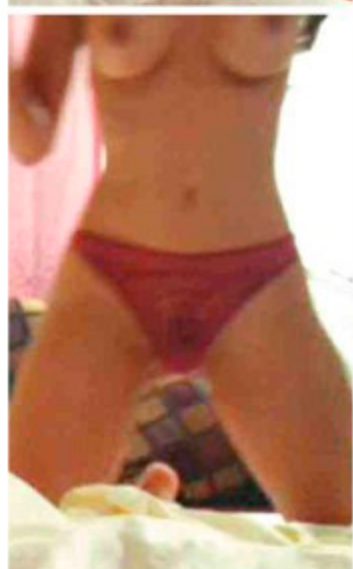

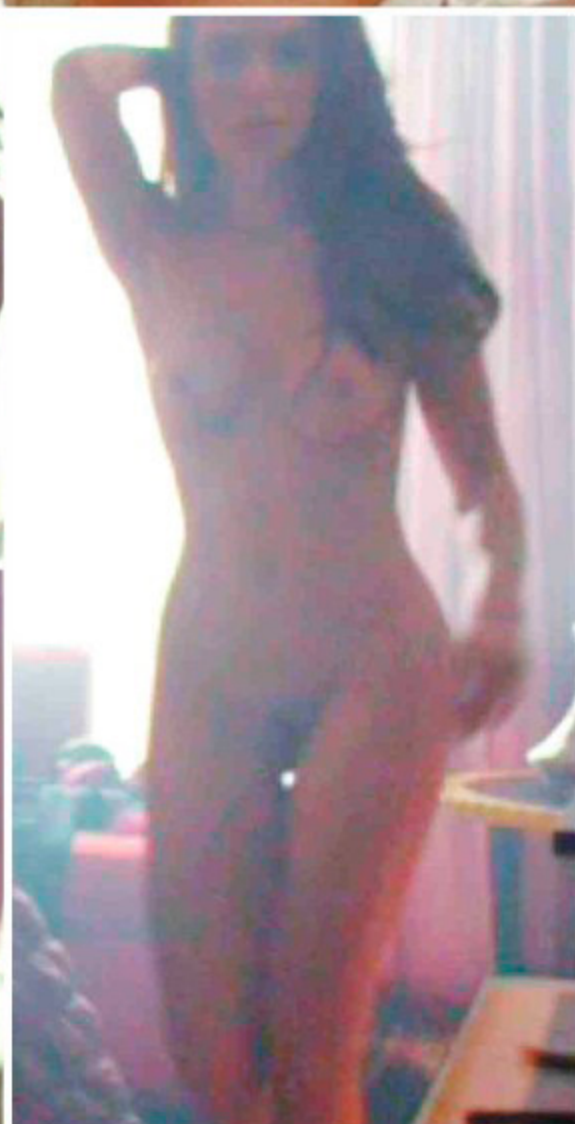

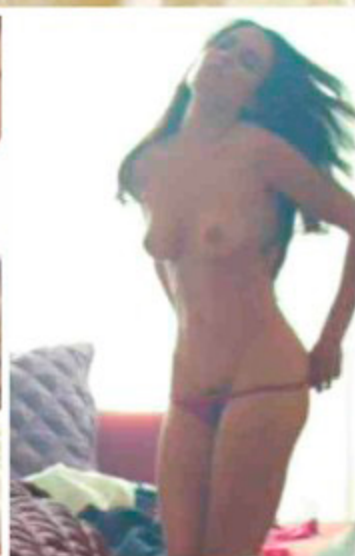

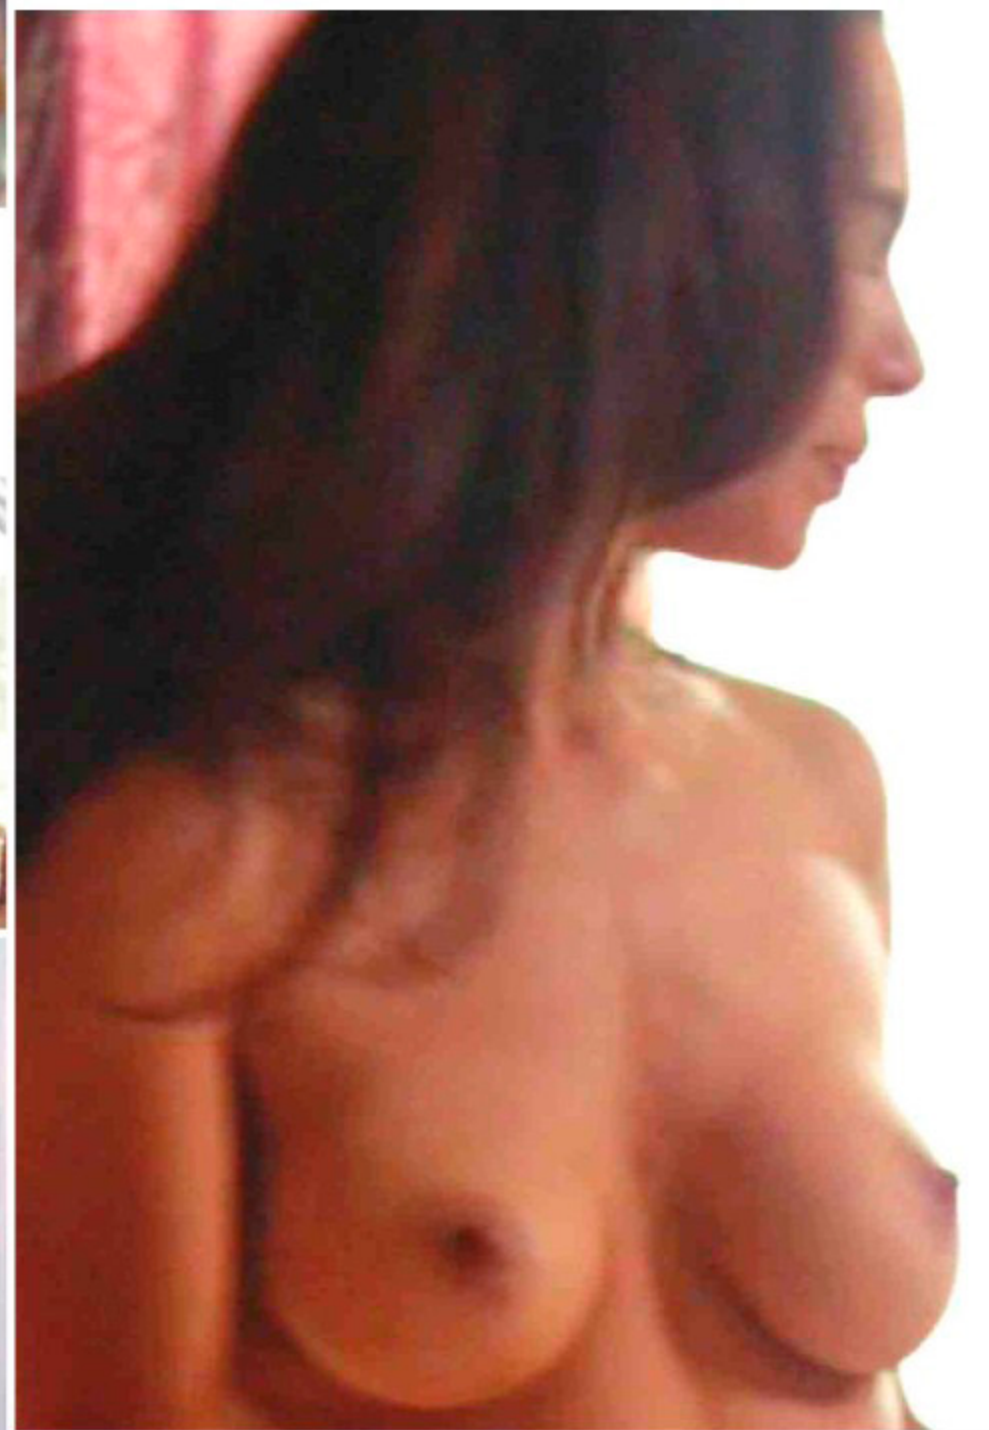

NADINE VELASQUEZ

FLIGHT (2012)

Best recognized for her role of Catalina Aruca on TV's late, great *My Name Is Earl*, naughty Nadine offered her eager audiences a whole new look—and a furry one, at that!—in last year's popular high-flying drama!

MARY-LOUISE PARKER

WEEDS (2005-2012)

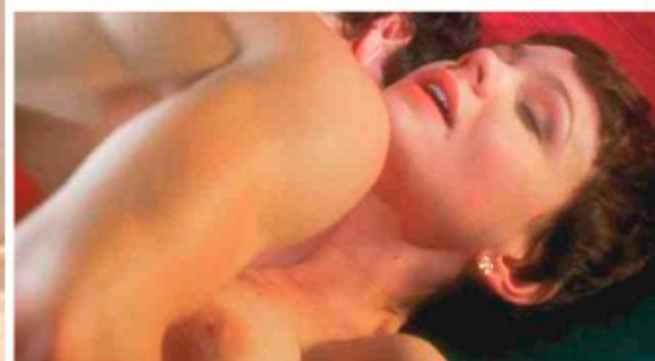

As a suburban mom-turned-marijuana dealer Nancy Botwin, played by Mary-Louise Parker, convinced us all that “weeds” can be both sexy and economically viable—while regularly revealing that she didn’t have much a problem with her own “shrubs”, either!

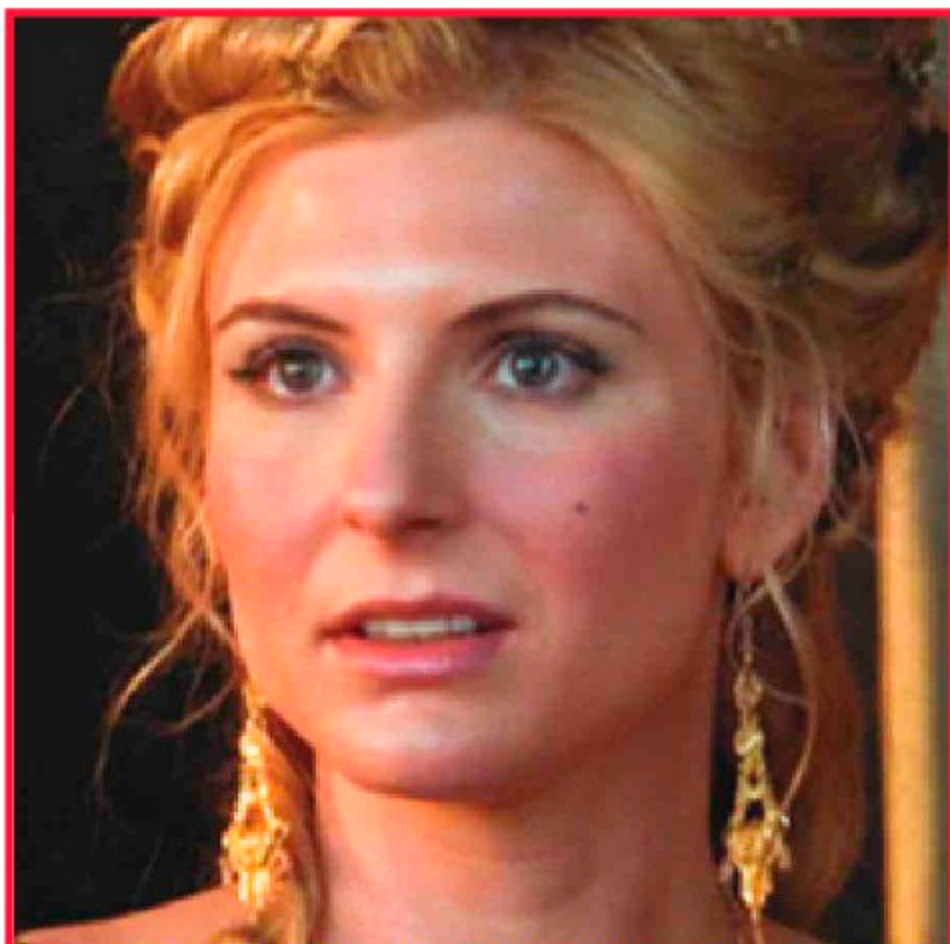

CAREY MULLIGAN

SHAME (2011)

Cutie Carey shook her “Mulligans” in the art house entries *And When Did You Last See My Father?* and *The Greatest*, but it wasn’t until 2011 that she was “Shamed” into delivering a full-frontal!

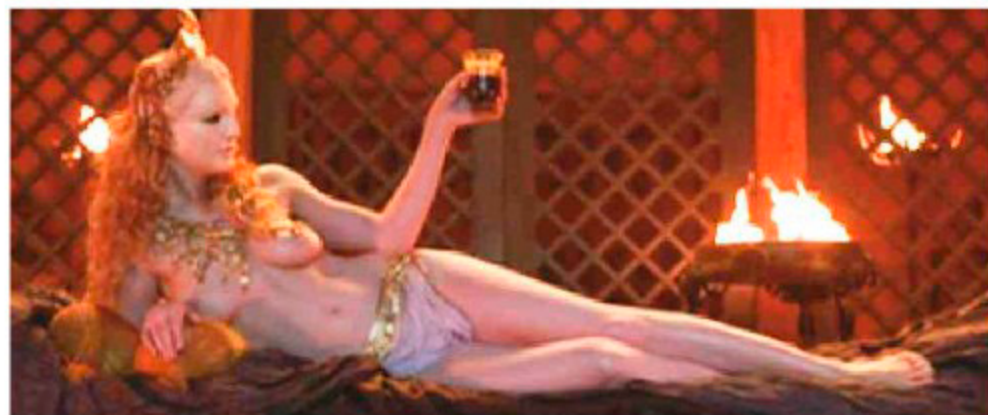

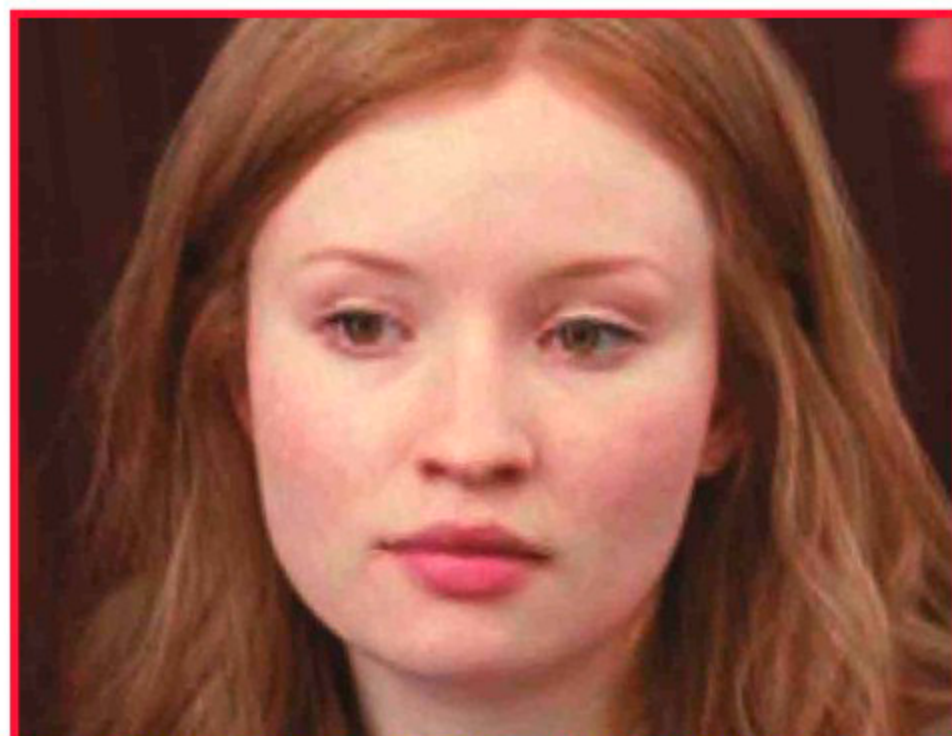

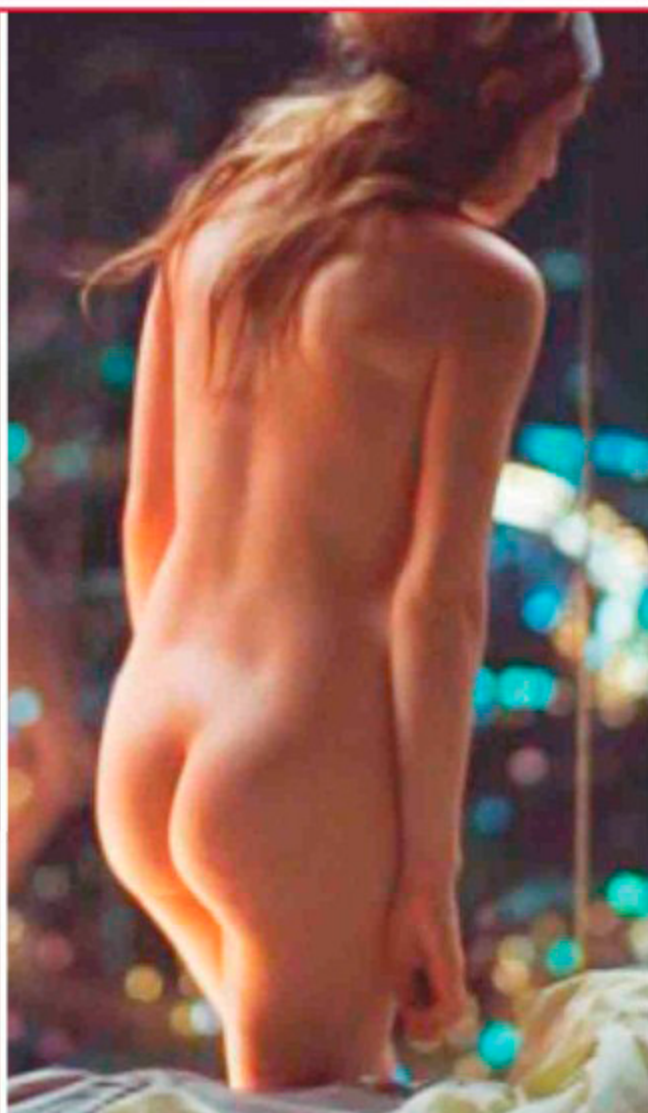

VIVA BIANCA

SPARTACUS: BLOOD AND SAND (2010)

The bombastic Australian actress proved she's indeed a natural blonde in the popular premium cable sword-sex-and-slavery series! Viva La Vulva!

EMILY BROWNING

SLEEPING BEAUTY (2011)

As a neophyte hooker plying her trade in a very different kind of brothel, eager Emily serves up boobs, butt, and beautifully tailored bush in this decidedly modern-take on the centuries-old fairy tale.

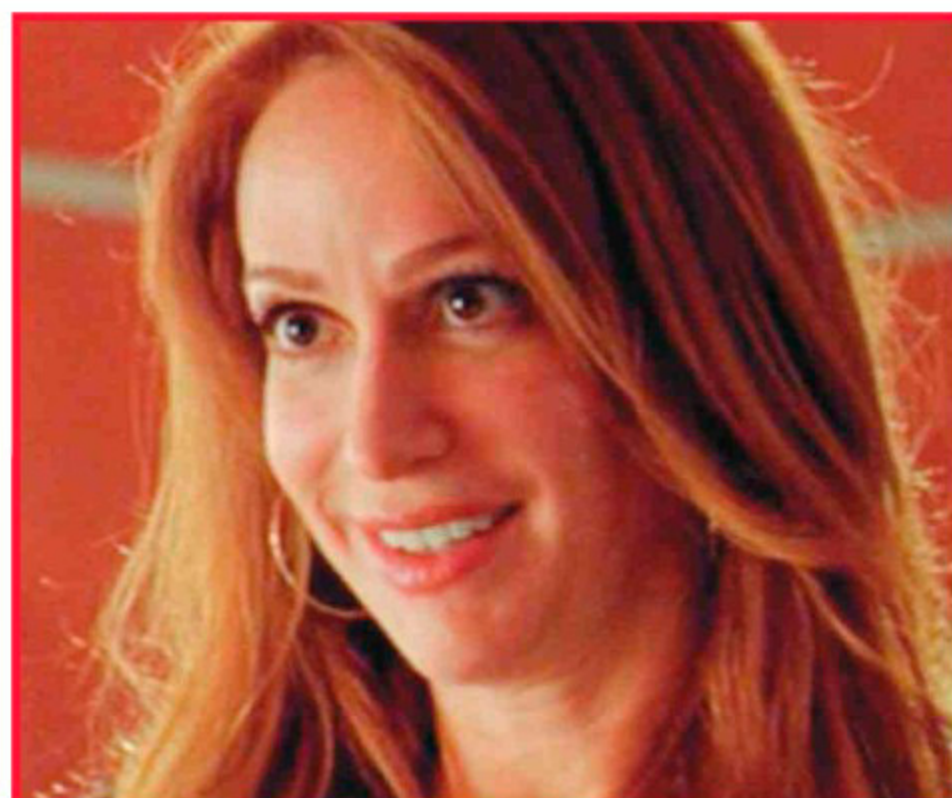

KATIA WINTER

ARENA (2011)

Now is the winter of our discontent? Bullshit! Not if lovely and sexy Swedish import Katia warms us up for the season with the help of some of her fur, as seen in the 2011 straight-to-DVD action flick!

REBECCA CRESKOFF

HUNG (2009-2011)

A natural, bona fide redhead, rockin' Rebecca pumped some life into all of us as a sizzling, sex-crazed life coach who becomes Thomas Jane's pimp in the regrettably axed HBO series.

CRACK ADDICTION

32961

Vaginas are overrated. Sure, they're pick, juicy and pristine, but sometimes the vertical smile's just not vile enough. Sometimes, it takes a hot girl's forbidden fannyhole to really stiffen your pole. **Jessie's** got a sweet, round ass that's just beggin' for a backdoor bangin'! Just spread those tight round cheeks apart and jam your crank in her can. Fuck it as hard and fast as you can, 'till you spill your seed inside her anus walls and watch it dribble down her crack as she moans in glee. It's a dirty, addictive pleasure that'll keep you *cumming* back for more...

PILL

LOWTOP PUSSY

32963

HIGH SOCIETY 45

When it comes to quality women, some men prefer a firm feel, while others swear by plush, pillowtop pussy or even soft feel. Hell, even the most luxurious twat eventually gets stretched out and used up. That's why expert pussyhounds recommend getting a new box every five to seven years. What's most important when you're in the market for a new gal is that you take the time to test out as many poons as you want, so your final decision is a cum catcher that you can take home and be sure of for the next few years. Richie here thinks he has found the perfect vagina for him in luscious **Lilly Carter's** beautiful bushless bush. His criteria for a new snatch was simple: he wanted a warm, silky poon that he could easily roll off of without waking up his girlfriend. Lilly Carter's snizz fit the bill. "Hopefully, I can lay into Lilly without my girl even knowing I got up," he remarks, happy with his new dick holster and ready to take it home.

SUMMER DAZE

Long before the Grays of today, blue-eyed blondes were the archetypical alien encountered by UFO abductees and contactees. The Nordics were supposedly a race of tall, blonde, benevolent creatures from the Pleiades star cluster. It's hard to imagine a sweet girl like Tasha being accused of being an alien, but then again, she does seem to have other-wordly features, from her huge, buttery tit-melons to her firm, tight ass. Anyhow, she's such a sexy, sophisticated Earth girl, it'd be such a shame if we couldn't claim her as one of our own. Still, if we had to be abducted by any beings in a flying saucer, we'd definitely prefer that they look like **Tasha!**

ALL ANAL ALL THE TIME!!!

David sticks a middle finger into **Abelia's** tight ass to see if she's ready to fuck. His finger comes out dripping wet. If Abelia was a cake it would mean she's not done yet, but a damp dumper is a sign that she's ready for a stiff dick to fuck her. While David tests Abelia's cornhole, **Valentine** spreads her sweet saliva all over his dick, making sure it's rock-hard and ready to bang some booty. When she's satisfied that his pasty prick is properly primed, she grabs it and guides it gently into Abelia's ass. Her cheeks squeeze like an accordion, but the concord of sounds comes out of her mouth. Valentine sticks two greased-up digits into Abelia's cunt and bangs her hard. David's dick spits a hefty load straight onto the girls' faces.

CUM ONE, CUM ALL: THROW YOUR OWN XXX SEX PARTY!

Story by PETER THOMPSON Illustration by WAYSHAK

There's one of them at any decent social gathering—a sexy, young thing whose gulped down one too many Long Island Ice Teas and has tossed away her inhibitions with the same idiotic might she used to toss away her clothes. Under normal circumstances, she's a quiet, reticent, and respectable girl, but now she's getting passed around and

shirtcockers and super-creeps don't launch an all-out invasion on your free fuck fete. Nothing ends everybody's good time faster than a swarm of perverts with pot bellies clad in T-shirts and sneakers skulking their way into your raunchy revelry and molesting themselves in front of your guests, helicoptering their penises then squirting their sour

and stops at the top of a spiral staircase pointing down. "End of the hall," she says. "Grab a paper bag and put your clothes and shoes in there. Condoms are in the bucket by the TV," she smiles and immediately begins walking off. I watch her go.

It's hard to tell for sure, but it looks as though her panties are soaked all the way through in back. She walks

ORGY Etiquette: The orgy momentum is a delicate balance that can instantly come grinding to a halt at the first sign of nonconformity.

used up faster than a roll of toilet paper in a dysentery ward. Hers is a relatively short-lived burst of debauchery that ends when she passes out in the bedroom on the pile of coats.

A boozy floozie is the absolute alpha and omega of every wild XXX sex party—but how do you go from having one or two ginch-plugging monkeys in residence to six, 10, 20 or more party girls coming to your cum parties? What would happen if you threw a big-ass, hardcore, XXX group-sex booze bash and every girl there was a hot, drunk slut?

How can you avoid ending up with a pile of lawsuits and substantial structural damage done to your dwelling? Whether you're the POTUS [President Of The United States] having cotius with the FLOTUS [First Lady Of The United States] or you're Johnny Rimjob busting your grapes and watching the cum liquesce as it oozes down a girl's back and slowly drips onto the floor through her pinkened ass crack, sex is as enjoyable as it is satisfying. There's nothing better than a one-on-one groin gambol on a fancy couch with the ladylove of your life or a one-cum flop on a piss-stained mattress with a sexy stranger to get the blood pumping and the brain stirring.

HOSTESS WITH THE MOSTESS

If you're going to host a XXX sex party (and you really should) you're going to need some big, strapping security dudes to keep your partygoers honest while hardening the access points to make sure the revolting hordes of mongrel

spunk onto the faces of otherwise civilized, sophisticated orgyists.

So serious is the threat from insurgent sex fiends, the organizers of tonight's orgy have left nothing to chance, hiring members of a private security contractor to work the door. These guys cut their teeth shooting suicide bombers in Iraq and kicking down doors in house-to-house searches. They're not cheap, but they get the job done. And they come with permits to carry practically everything but tactical nukes. No price is too high when you're playing an all-out game of musical vaginas.

I show the guy with the naked devil neck tattoo my invitation and he looks it over, checks it against the master list, and then pats me down before a second guy holds the front door and tells me to enjoy myself. He even calls me "sir". A ponytailed blonde with smoky eyes, wearing a white thong and a vintage Wonder Woman T-shirt meets me at the door. She's hot enough to be temporarily terrifying and she puts me in a quick stagger as I stand there reeling, unable to speak, squeezing her succulent shapely honkers in my mind. She has a flat, toned tummy with a belly piercing and hips so curvy that your eyes have to actually slow down to take them in. She's balanced high atop black stiletto heels and looks eager to get back to whatever or whomever she is doing. I want a moment to take her in, but she's all business. She mentions something about Jello shots as she rushes me through the crowded kitchen, completely naked men and women gathered in small groups, talking in conspiratorial whispers, but laughing at full volume. Blondie leads me through a short, mirrored hallway full of family pictures, license plates, and report cards

fast, with an exaggerated swing of the hips. She grabs the banister of an up staircase and starts to yank herself to the second floor. At the bottom of the spiral stairs is another mirrored hallway, leading into an unfinished basement dolefully lit by multi-colored strands of Christmas tree lights. One absurd strand of lights is blinking.

GETTING THE FUCKING PARTY STARTED

This is the orgy room. It's large with low ceilings and full of couches and all kinds of people fucking on them. I find the changing room and do what I'm told. *ORGY Etiquette: Once you're at an orgy, the first thing you do is remove your clothing. No excuses. The orgy momentum is a delicate balance that can instantly come grinding to a halt at the first sign of nonconformity. It may feel a little awkward, but that's half the point. You are being taken out of your comfort zone for a reason—the rules of polite society aren't involved here. Get naked and walk around like a creep, stopping only to stroke your cock and stare.*

There is a TV tuned to snow behind an antique brass bar at the near end of the fuck room. The bar stools give you a great view into the very epicenter of the orgy. There's nobody working the bar, but there are huge metal trays full of Jello shots. People are sucking and screwing in every direction you look. I don't even try to hide my erection. There's a rail-thin girl on her back with a tiny, little tummy pooch madly rubbing her bean while her cock sock entertains a veiny dong; a redhead with bluish, milk-white titties lying on the floor by herself, practically chucking a sex toy into her fuck bucket; an Asian girl in pigtails licking a light-skinned black girl's pussy; a middle-aged

woman with '80s hair throat-fucking two guys at the same time. And that's just the people closest to me. *ORGY Etiquette:* Too many people enclosed in a small space means there are going to be some accidental bumping of swords, to put it politely. An orgy is no place for homophobia—full-grown accidents happen—but you've got to establish ground rules beforehand, and that means whether or not you're going to allow homosexual activity at your party. Frankly, if you wouldn't allow two horses to come into your home and mate, you probably don't want to allow two dudes fucking on your coffee table. It's best to stick to NFL pass interference rules: incidental contact is permissible, but holding, grasping, or squeezing will be penalized. A firm "Hell, no!" will tell the offending party which team you play for and he will stop trying to sack you in your backfield. If he keeps at it, relax, that's why you've hired security.

The most serious drawback to any orgy is what's known as the "nude beach effect". As anybody who's been to a nude beach can verify, yes, the people are naked, but, no, you wouldn't want to fuck most of them, not even with somebody else's dick. Picture an X-Rated People of Walmart. If Rascal scooters and oxygen

could, but you'd never get your deposit back in a million years. This party is being held in what amounts to a rented mini-mansion out in Pacific Palisades. There's over 5,000 square feet of room in which to fuck, and not much furniture. And that doesn't count the pool, hot tub, garage, or, for all those real freaks out there, the crawlspace. If you don't have a large home available, try getting a couple of connecting suites at a local hotel or rent out a conference room or even office space at one of the commercial space ghost towns that are everywhere. Be creative.

BEING THERE

In the dark, the female guests look like they're mostly size 6's to 8's, which is almost unprecedented for a orgy that's not being filmed. There are a couple of 4's and a few definite 3's mixed in, but the one thing on my side is that the average age of the women here is 20. One mountainous heap of a woman who smells like diabetes has set up shop at the far wall—she's planted her gravity in a corner La-Z-Boy, but thankfully she's only a spectator. She's wearing all of her clothes, but her chin reminds me of a pig's snout and her cheeks look like they're stuffed with apples—she

orgy, and most of the girls become at least somewhat fuckable after four or five beers (so long as the beers are

downed quickly and successfully). The basement air is suffocating—not exactly humid, but more of a chemical wetness—like a soggy musk. It's stifling. There's an oscillating fan blowing on top of the bookcase. There's a woman with

One mountainous heap of a woman who smells like diabetes has set up shop at the far wall—she's planted her gravity in a corner La-Z-Boy, but thankfully she's only a spectator.

tanks could be dragged across a strand, the two groups would be virtually identical.

LOCATION, LOCATION, LOCATION

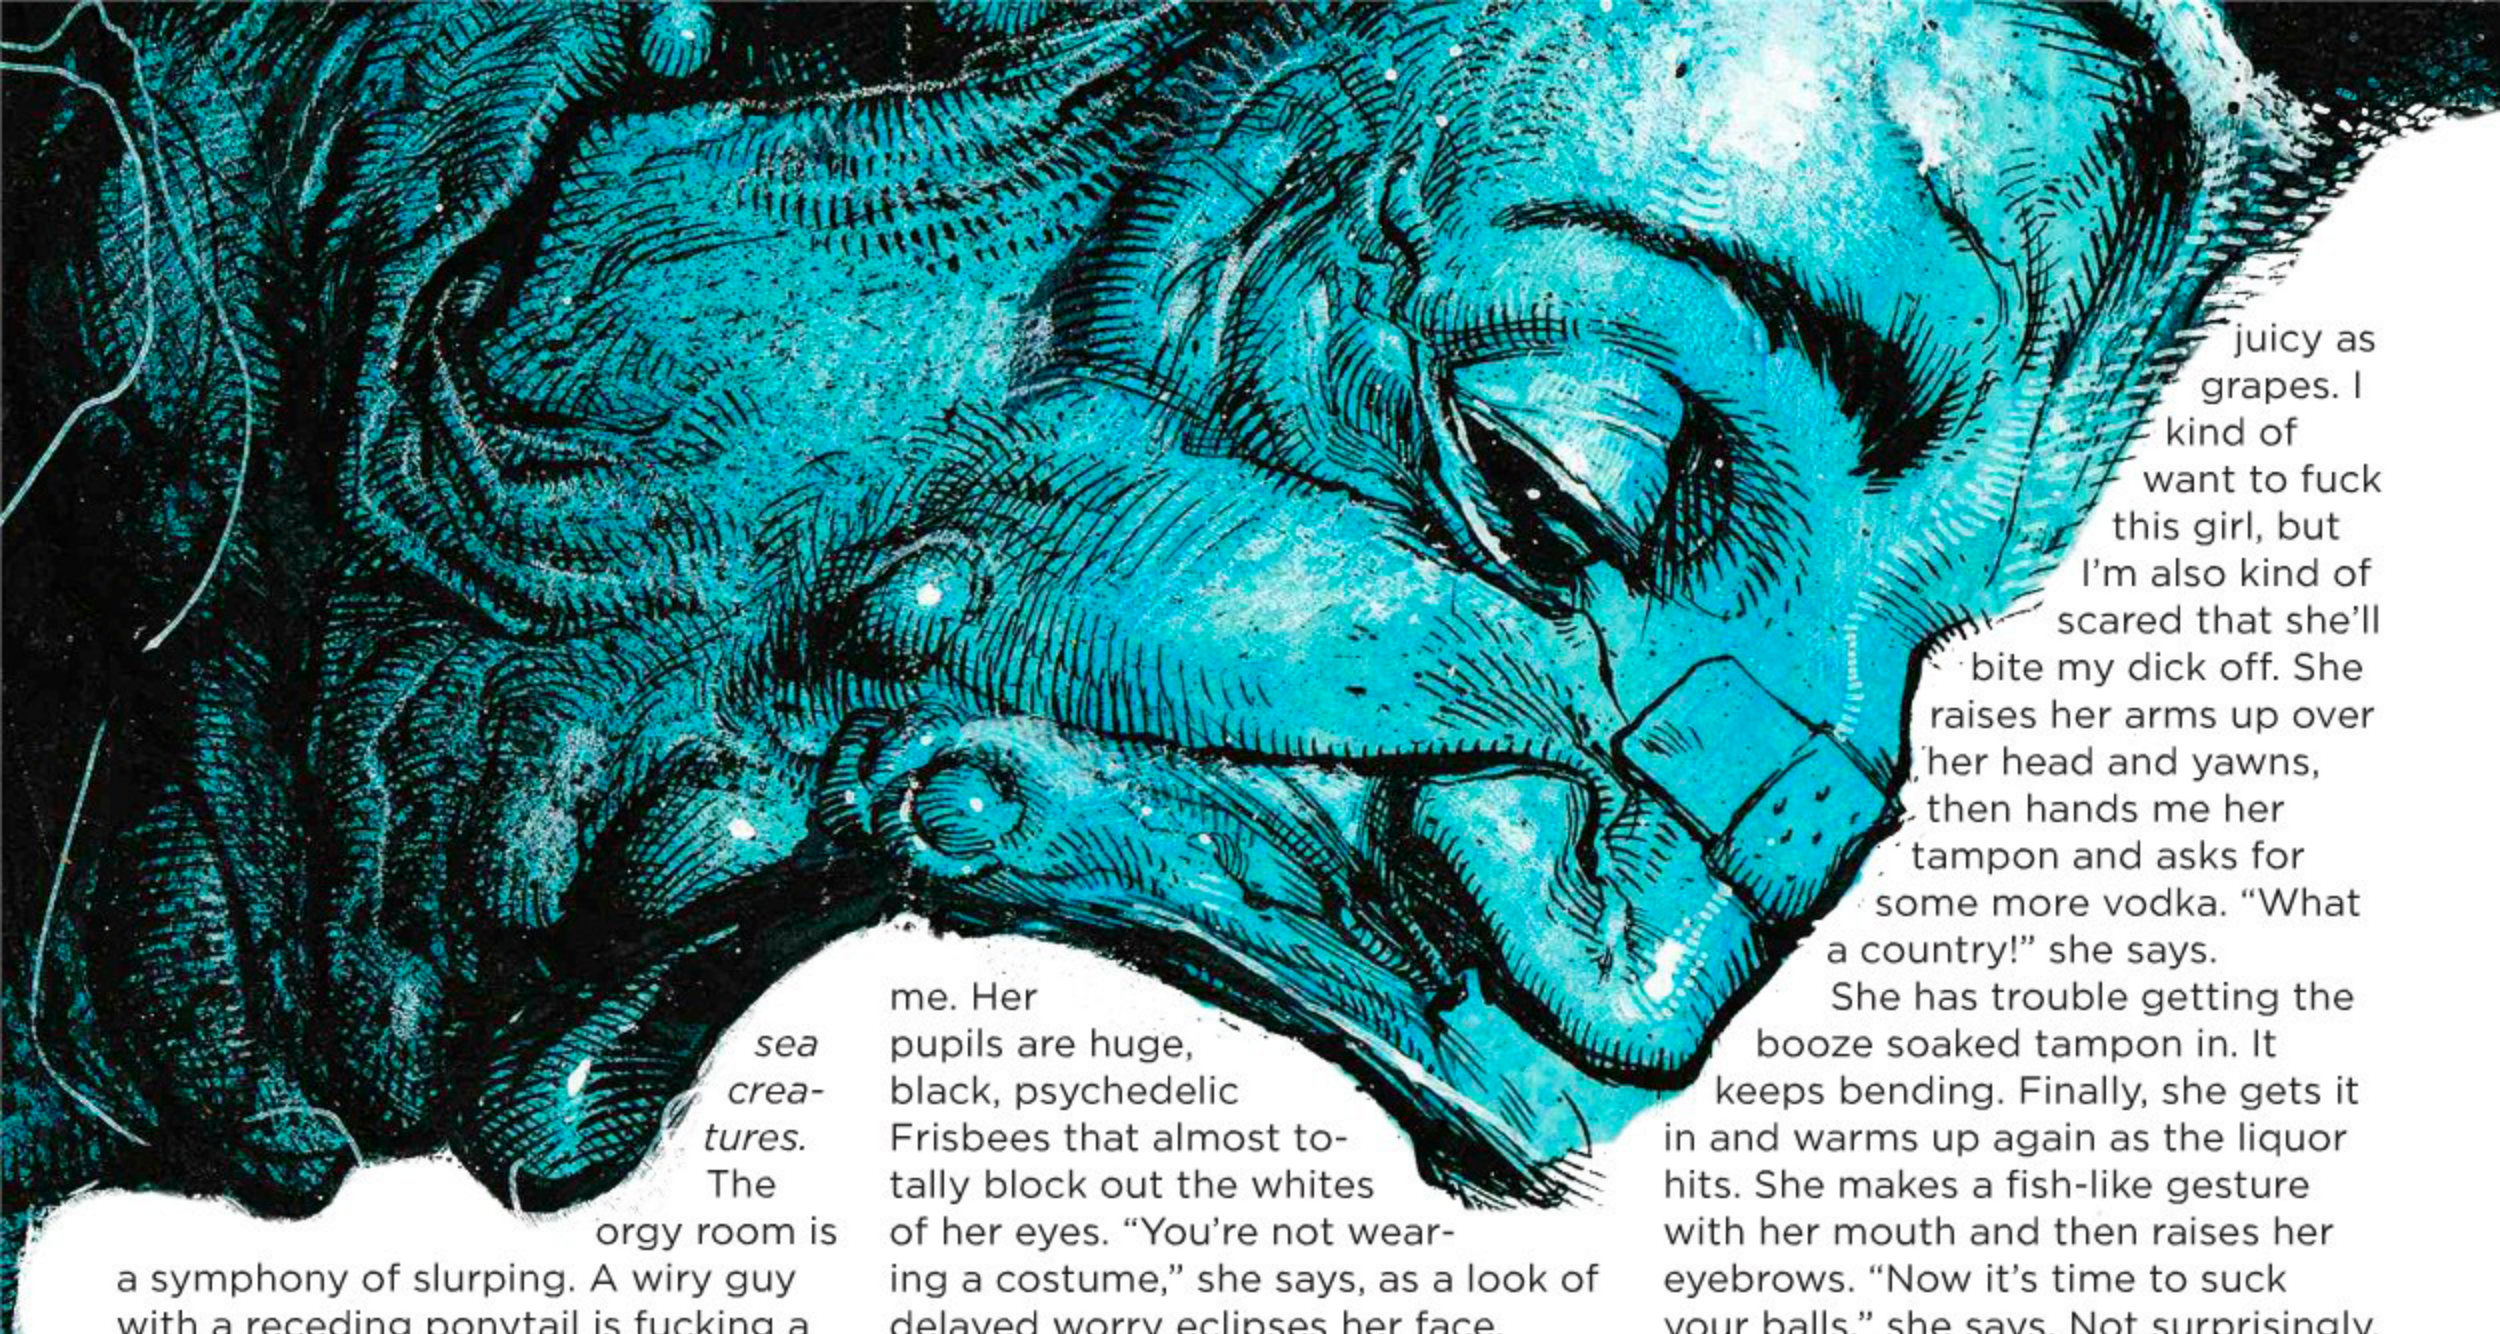

There are two major positives my orgy has going for it. One, it's happening in Southern California, land of fake tits and fake moon landings. And two, it's being thrown by people who work in the adult industry. So, the quality of the women is necessarily higher than what you'll find at a normal orgy. *ORGY Etiquette:* When throwing a XXX sex party orgy, who, what, why, and when are important, but there's no chance of having a successful fuckfest unless the "where" is well taken care of. Certainly, you can't invite 50 people to get down in your studio apartment. Well, you

is the biggest boner-wrecker in the whole room. *ORGY Etiquette:* It's a given that you need to have all kinds of alcohol available for your guests, but you should also carry bottles of water. All that fucking can sure raise a thirst. It's never wise to get totally shitfaced and then go shopping for women because you run the very real risk of waking up next to a mentally retarded girl eating peanut butter off your penis. Don't ask. It's happened to people I know. That said, an orgy lives and dies on how smooth it runs. Getting rid of some of your inhibitions by taking a tippie might help some of the more uptight guests get rid of some of theirs. Awkwardness is catchy. The sooner you get rid of your discomfort the sooner everybody else can get rid of theirs.

There are a few all-stars at every

long, black hair wearing black-framed glasses and nothing else leaning against the wall and sticking her ass out—she and her man are trying to work out the logistics of a standing butt fuck. Once I get used to the top layer of smells, the lower bouquet opens up—it's much more subtle: a curried perfume of old incense, pheromone spray, condoms, deodorant, ass, and what seems to be an old fishing trawler. *ORGY Etiquette:* Safe sex is best. It helps everybody relax and enjoy the action without worry. As a host, it's your duty to make sure every boner gets a bag. Get yourself a punch bowl and fill it with condoms. And don't skimp—many women have severe latex allergies, so try to find non-latex rubbers. You don't want to have to deal with any pussies swelling up like

sea
crea-
tures.
The

orgy room is a symphony of slurping. A wiry guy with a receding ponytail is fucking a queen-sized harridan with more cottage cheese on the back of her thighs than in stock at the local Whole Foods. She muffles her carnal screams in a throw pillow. Happy pairs and the occasional group of three or more work from various positions on the floor, humping on blankets and dirty mattresses. I recognize a guy I went to college with—he has a porn mag open and is staring at the pictures while a slutty girl who couldn't be more than a day over 18 gives him a sloppy blowjob. The railroad-like beat of house music begins thumping over the throbs and moans of the horny hordes, the girlish snivels, and the panting and sucking noises of people being drawn from their bodies toward orgasm; it's the smacking thud of flesh against flesh.

THE GROPING DEAD

Walking through the orgy room is a little like strolling through a pigpen after a heavy rain. My feet stick to certain parts of the floor and sink into something that feels like warm

me. Her pupils are huge, black, psychedelic Frisbees that almost totally block out the whites of her eyes. "You're not wearing a costume," she says, as a look of delayed worry eclipses her face.

"Neither are you," I say.

I watch her put another tampon into an opaque red party cup and then pour vodka over it. She swishes it around a bit, allowing the pussy plug to soak up as much of the cheap liquor as possible.

"Are you real, like manifesting in space and time, or did I invent you out of Playa Dust?" She takes the tampon out of the cup and inserts it back into her snatch. "Tell that miserable fucking brony to come here and say it to my face and I'll kick him square in the cherries." As her spunk pot soaks up the liquor, a warm smile opens up her mouth. She lunges at me and sticks her tongue deep inside my mouth. "Will you get me a drink or some mescaline?" she says, her voice cracking. "My Playa name is Sandy Handy.

"What do you like?"

She points to herself and draws a large inclusive circle around her head. "I like fine, red wine like," she says, her mouth searching for the words that her mind has already forgotten. "Grizzly Adams Winter Lager.

juicy as grapes. I kind of want to fuck this girl, but I'm also kind of scared that she'll bite my dick off. She raises her arms up over her head and yawns, then hands me her tampon and asks for some more vodka. "What a country!" she says.

She has trouble getting the booze soaked tampon in. It keeps bending. Finally, she gets it in and warms up again as the liquor hits. She makes a fish-like gesture with her mouth and then raises her eyebrows. "Now it's time to suck your balls," she says. Not surprisingly, that whole endeavor fizzles out when she asks me for yet another drink and we go through her whole drunk logic again. I need a drink myself if I'm going to keep up with these drunk cunts. I walk back over toward the bar. It's hard to walk. I'm afraid I'm going to stab somebody with my erection.

You can't make a move without stepping on a breast. More people are showing up by the minute. It's packed like a livestock car full of beef cattle—small clusters of people fucking everywhere. I've got to get in on some of this. I down a couple shots of whiskey and I survey the room—there is now '80s porn on the TV—a guy who looks like my father is slowly banging a girl with dreadlocks on the couch. You really don't want to run into your parents at an orgy. I turn around and face the other way. Across the crowded, noisy orgy my eyes catch her warm chocolate gaze for a half a second—I look away and then, ruefully, allow my eyes to wander back to meet hers. I smile coyly, look down, and then catch her eyes

mud in other places.

A raver girl fumbles with a tampon as she takes it out of her vajayjay and tosses it on the floor. When you suspend most rules of society, you usually end up suspending them all. Her eyes widen drunkenly at the sight of

And who's the guy who became a Muslim. He was a musician and he became a Muslim?"

again. This time, she holds my stare and grins back at me, setting our wordless courtship in motion. I've never seen this girl before, so why does she look so familiar? Maybe I recognize her from my dreams? She's exactly that angelic. Where have I

seen her? Jolts of electricity crash through my body—I feel the furious craving and hunger in the depths of my stomach. My guts do a series of pirouettes and my aching ball sack swells. It tightens, tenses, and then tingles like a handful of broken glass. She turns away and nearly vanishes in the flickering murk and shadow emanating from the fireplace. It's not a feeling I can control very well. My mouth is completely dry. Imagine, finding your soulmate at an orgy. I hurry toward her. Her face disappears behind a curtain of dark, curly hair. When I'm close enough to feel the warmth radiate from her skin, I take her in: she's on her hands and knees, her tongue darting in and out of a naked bald man's mouth while some dweeb with an eye patch strains to bang her from behind, staring down at the point of insertion with a look of both daze and wonder on his idiot face. He's talking dirty to her

opens her mouth and makes a noise like an angry Sasquatch. Suddenly, I see the flash of where I've seen her lovely visage before. She was on the front of a movie box. She's an actress, one of the stars from some really twisted fetish series called *Cum Freaks Unleashed* 6. Or is it 7? As I look closer, I can clearly see the thick layers of pancake makeup covering her face, the lipstick spread wide around her thin mouth. I stop jacking off and start to walk away. Somebody rushes down the stairs in a panic and flicks the main light on. I can hardly hear what is being said, but there are whispers, something about the security guys leaving their posts to score some Del Taco.

ATTACK OF THE DREADED SHIRTCOCKERS

No sooner than the security guys have up and left do four single men wearily clod down the staircase in

budget to hire a crime scene clean-up company to detail the orgy site, especially if it's your apartment or home.

CLEARING THE DECK

If the gods of sex and sleaze and the divinities of debauchery smile on your sex party and your home or apartment becomes a booty-banging buffet full of sweating, humping masses of human flesh, the place is going to be a fucking mess. You're going to wish you had drains built into your floor. You will spend hours and hours scraping and spraying to get the jizz cooties off your walls. And don't be surprised to find a load on your ceiling. The human body is an astounding machine—it shits, sweats, molts, peels, drips wax, cries, blisters, and pops, whatever nasty sputum people can gin up in their sexual ecstasy, they will find a way. A wild sex orgy is a lot like an artsy

vagina. A third dude is lying on the ground underneath my dream girl, sucking the sweat and lube dripping from her crotch like a man with his mouth open to the heavens, catching errant raindrops in his mouth. My soulmate looks up at me, pouting with her eyes as her body is pulled in three directions. I want to get in there and just hold her, but all three of her holes are busy. She looks up and smiles then shuts her eyes as she takes a hard thrust from the old man. She may be the one for me yet. She may be forever. This is the woman I am going to spend the rest of my life with, and we can start just as soon as she finishes fucking these creeps. But she keeps going. I stand there like an idiot for another five minutes, watching as the dude underneath her switches places with the dude banging her from behind. It's a well-choreographed move, very little excess movement. I notice some freckles on her shoulders. It's enough to throw me off the trail. Who the hell is this chick? I can't help it anymore and start stroking my cock. It doesn't do much. I'm way too tense and self-conscious to perform among the whole zoo.

As she looks up at me again, she

their shoes. They're wearing shirts with no pants. One has a backpack and a camera with a telephoto lens around his neck. The dreaded shirtcocks have infiltrated the party. If nothing's done to stem the tide of wandering creeps, they will literally overtake the invited guests by a three to one margin in no time and they'll just stand there giving everyone else the creeps as they jack off into feed buckets. It sounds like a joke, but the sad-sack single man is responsible for the death of more orgies than anything else on earth. The comfort and security of the guests is the absolute number one priority of the orgy host. If the people don't feel totally at ease, and the stresses of outside society are brought into the room, everything is instantly ruined—it's like the main theater lights coming on in the middle of a movie. The party's over before it's really even had a chance to start. *ORGY Etiquette: Perhaps the toughest job of hosting an orgy is the post-fuck clean up: There's going to be cum—and possibly some blood. Certainly some spilled booze. Pretty much any fluid that comes out of a human being is fair game. Do yourself a favor and keep money in the*

touring circus: it's a pseudo-fancy, dark-hearted fusion of youthful energy and magic; a winding river of people writhing in lascivious motion to the erotic nuance and mystery of New Age music; soulless freaks and clowns with loose zippers pumping away at anything with a hairy hole; women grinding their punanis on the thighs and legs of horny men. There are more filthy, gaping holes in a sex party orgy than there are in a BP oil field, and cleanup can take a comparable amount of time.

The human race has been having sex orgies since the beginning of recorded history. In fact, the first 100,000 years of human history can best be summed up by homo sapiens' two strongest yet conflicting impulses: fighting and fucking. We fight so that we may sort out who gets to fuck whom and we fuck so that we may one day decide whom we have to fight again. Put a group of people in a room for long enough and eventually they will either start fucking or fighting, probably both. It is a state of complete sexual anarchy. Of course, with great pleasure comes the potential for great pain. As Charles Bukowski once observed, "a sexual orgy is the loneliest place in the world."

HIGH SOCIETY'S XXX TOY BOX

Spring has sprung across the land, and with it comes the fragrance of fresh pussy, and the rustle of raging boners. This time of year people are as horny as bears after a long winter's nap. So celebrate the season of rebirth and rejuvenation by fucking an inanimate object! Let's see what's inside this issue's XXX Toy Box!

HEAD O STATE OBAMA DILDO

\$34.95, www.headostate.blogspot.com

Look, every American knows the President is going to fuck you. That's his job. If he's not jacking your paycheck, he's screwing with your healthcare benefits, or trying to take your guns away. If you're gonna get fucked, you might as well enjoy it! Grab a Head O State Obama Dildo (available in Democratic Blue or Presidential Gold) and spend Big O's second term in seventh heaven as you plow the pleasure hole of your choice with this deficit-sized dick. Speaking of dicks—Joe Biden Butt Plug sold separately.

HYPER-REALISTIC JAPANESE DOLLS

Orient Industries, \$6,500, www.kanojotoys.com

Dating a rubber doll doesn't carry the social stigma it used to! Tall and tit-heavy, Candy Girl Jewel Rosa F from Orient Industries is the Cadillac of love dolls. Customize Rosa however you like, with a wide selection of faces and hairpieces. Because she's 100% silicone, her skin is seamless in the joint areas, making her look more realistic than any other love doll out there. Go ahead and fuck her armpit! Bagpipe that bitch! Rosa is soft and lifelike to the touch, and incredibly flexible so you can pose her in almost any position your dirty mind can imagine. These Hyper-Realist Japanese Dolls are pricey, but they're still cheaper in the long run than any flesh-and-blood wife/girlfriend/prostitute you'll ever meet. Listen, if you're going to fuck a sex doll, at least treat yourself to the very best. This is it.

SNAKE BITE KIT

\$8, www.stockroom.com

A savvy camper knows the importance of carrying a snakebite kit. You never know when you'll need to "get the poison out," and you don't want to be stuck in the middle of the woods with a leg full of venom! But this inexpensive piece of camping gear is also prized among the sexually adventurous for the strong sensation produced when its two powerful suction cups are used on the nipples. Go ahead and give it a try! It doesn't hurt...that much. The suction cups can be used on other parts of the body, too. Nut suck, anyone?

DILDO GAS MASK

\$65.99 (\$102.46), www.planetpleasure.org

Don't let bioterrorism stand in the way of a good shag! Orgy like it's the end of the world with this fashionable Dildo Gas Mask! While not actually a functional gas mask, the dildo can be used for insertion or suction. A must-have accessory for clubbing or role-play. A unique coating provides stunning looks and comfort. The Dildo Gas Mask is flexible and waterproof. Also doubles as an elephant and/or giant mosquito costume for your next Halloween party! One size fits all weirdos.

PIGTAIL BUTT PLUG

XR LLC, \$22, www.extremerestraints.com

Let me hear you squeal like a pig! Wheeee! Wheeee! Make your favorite bottom squeal loud and hard with this black Pigtail Butt Plug. It doesn't get much more humiliating than this. Made of a soft rubbery material, this degrading device couples a 4-inch butt plug with a 5-inch curlicue tail. Oink, oink! You already act like a filthy, fuck pig. Why not look like one, too?

HOODED SPANDEX FULL-BODY SACK

\$152, Sub-shop.com

Marketed as fetish gear for super freaks, the Hooded Spandex Full-Body Binder Sack could also be a martial aid for troubled couples. Who wouldn't want to toss their bitch into a binder sack the next time she gets lippy? Ladies, zip your drunken loser up before he wanders down to the roadhouse and sticks his dick in that syphilitic whore again! Yeah, we know there are laws against that shit. Just sayin'. BD/SM fans claim the Hooded Spandex Full-Body Binder Sack is "so comfortable, you could spend an entire night in it!" Keep running that yap, beeyatch, and you just might! Plus, the Full-Body Binder Sack is a great option if you ever need to ship your wife Parcel Post!

KOCHI JAPANESE ANIME DOLL

\$79.95, www.straightfleshbot.com

Ever wonder what the demonic spawn of a *Scream* mask and Japanese anime would look like? Ever dream about fucking this nightmarish offspring's hellish holes? If you answered, "Yes" then you should probably seek

immediate professional help. Or you could

get yourself Kochi Japanese Anime Doll, and allow

dark, twisted desires to completely consume whatever's left of your soul. Unquestionably one of the most frightening sex toys ever created, you really have to question what went wrong in your life if you're sticking your dick into this abomination. Comes with a hand pump to help you inflate her. If the Hyper-Realistic Japanese Doll mentioned earlier is the Cadillac of sex dolls, then this is a Yugo with engine problems, and a cracked windshield. Spend your 80 bucks on a psychotherapist visit instead.

AUTO SUCK

\$38, edenfantasys.com

Damn, traffic sucks! Good thing you've got an Auto Suck

stashed in the glove box. Easy

to use and sporting a car-lighter

plug, the Auto Suck is a must for

lonely riders on long trips, and

road rage jerk-offs alike. The

sleeve is made out of firm jelly

material with a little stretch, and has

a ribbed interior that helps simulate a real

blowjob. There's also a remote-controlled vacuum func-

tion so you can control the suck with the touch of a

button. Yeah, road head rocks, and bumper-to-

bumper is a breeze! Drive safe! Drop loads!

FUCK SAW

\$169, www.stockroom.com

Turn your workshop into a love palace with the Fuck Saw! This reciprocating saw on Viagra has six variable speeds, ranging from zero to 2,500 strokes per minute. Hold it like a gun, and drill into the ass or vagina with powerful and steady force—then swap out the greasy dong attachment for a crosscutting blade, and build a tree house for the kids! You're a great husband and father!

HIZAMAKURA "LAP PILLOW"

\$142, japantrendshop.com

Laying your head in someone's lap has long been a sign of physical intimacy and trust, especially in the Asian culture, where old married couples will sometimes clean each other's ears from this position. Shaped like a beautiful woman's lap, the Hizamakura "Lap Pillow" mimics

the feel, comfort, and warmth you can only get from lying on an Asian girl's silky thigh. Pay no attention to the fact she's *missing her tits and head!*

Pretend you're on a date with The Black Dahlia, or an extra from *The Walking Dead*. Or save your pennies and buy one of the Hyper-Realistic Japanese Dolls mentioned above.

THE HOT SEAT INFLATABLE CUSHION VIBE

Pipedream Products
\$35, amazon.com

Remember when inflatable furniture was all the rage in rec rooms and college dorms? Luckily, that fad was short-lived. But we can thank the fine folks at Pipedream Products for bringing inflatable furniture back, and unlocking its true potential as a masturbatory aid. The Hot Seat Inflatable Cushion Vibe is essentially an inflatable footstool with a vibrating dildo stuck on top. Place the Hot Seat on a level surface, select your desired vibration, and savor every stroke. After you've cum all over the rubber dork, just let the air out of the Hot Seat, and store it next to your air mattress and pool float. So simple, so brilliant—every home should have one!

CODE OF HONOR

THE HIGH SOCIETY INTER

LAS VEGAS, NV—*Code of Honor* is the latest Digital Playground big-budget release. So, of course, when HIGH SOCIETY made the call, Digital Playground delivered, as always, with every one of the stars from this sex-crazed shoot 'em up. This amazing story, conceived and directed by renowned veteran director Robby D, tells the story of a Special Ops (Operations) Team that reassemble one last time to save one of their own. What makes the Team so unique is that this group is comprised of the most gorgeous G.I. Janes in the military. Jesse Jane leads Kayden Kross and Stoya across unfriendly and dangerous terrain to rescue their little "sister" Selena Rose. With Riley Steele as their trusted go-to girl and Bibi Jones as an FBI agent trying to protect the team from impending danger, the ultimate goal is for the team to blast their way into the bad guy's lair, which is headed by renowned cocksman, Manuel Ferrara. Packed with explosions, gunfire, car crashes, helicopter dogfights, blood, guts, and glory—plus ball-draining hot sex—it's all in a day's work for these Special Ops vixens. And once these girls get their man, they'll punish him the only way these girls know how: DP style!

With an incredible cast that also includes Tasha Reign and reigning XBiz "Performer Of The Year" Brooklyn Lee, *Code of Honor* will undeniably be one of 2013's biggest adult blockbusters. In yet another exclusive for HIGH SOCIETY, each of the stars of *Code of Honor* sat down with us in their ONLY group interview at the Adult Entertainment Expo (AEE) in Las Vegas earlier this year. Jesse, Kayden, Stoya, Riley, Bibi, and Selena can certainly play with our guns anytime they want!

HIGH SOCIETY: I'm so looking forward to watching *Code Of Honor*.

JESSE JANE: I'm looking forward to it, too!

HS: Why?

JESSE: I don't actually watch my movies, but when we do these big, big productions and everything that we put into it, I want to see how it comes out. I want to see what other people did that I didn't see, like, if I was there but in a trailer while it was going on that day. We had a helicopter, we had a boat, and we had an army. It's really cool and I want to see it. I saw the teaser trailer and I can't wait!

HS: How would you compare the experience of filming *Code of Honor* with such films as *Pirates*, *Island Fever*, and *Nurses*?

JESSE: *Code of Honor* is almost on the level of *Pirates* because the budget was crazy and we had real helicopters. The second *Pirates* that we did was all CGI (Computer-Generated Imagery). In *Code of Honor*, we actually used real props, and we had explosions. So to do something like that it's kind of on the same level. It's different from the normal two-, three-day movies that are cutesier, you're at a house in LA or (like with) *Island Fever* where you're on an island and it's all music, it's just sex, you have to sell the story and sell the scene without talking. You have to be able to do that. So to do something like this, something different—and I love shooting guns—it was fun.

HS: How about the rest of you? Are you excited about the release of *Code of Honor*?

KAYDEN KROSS: Yeah, obviously. We put in a huge amount of effort into this one. It's one of our biggest budget movies I think we've done since

I've been with Digital (Playground).

RILEY STEELE: I am very excited! *Code of Honor* was an incredible film to make. When you see it you'll know what I mean. And I got to go to the gun range and fire off some shots. It was quite an adventure.

BIBI JONES: Oh yeah, this is like the coolest movie we've ever done.

It has a really cool storyline.

SELENA ROSE: I'm super excited. It's such a big feature. It's the best movie of the year.

HS: So what is *Code of Honor* about?

JESSE: *Code of Honor* is kind of like an act of valor. We're FBI agents, but we're part of an elite, special task force who arrest big bad guys that are wanted worldwide. Manuel Ferrara plays a bad guy who kidnaps

Selena Rose because she went in on a bust

alone, which got the rest of the team back. We were on special teams together that went their separate ways, so they put us back together to save one of our own. We end up shooting people and killing people. So we all reunite for one last mission to save one of our own together. Bibi Jones plays the FBI agent trying to bust us and she's trying to figure out what's going on because she knows we're legally not allowed to re-group. It was a lot of fun. There were a lot of different stories within the story, but it's really about saving Selena and capturing Manuel.

RILEY: One of our old teammates, Selena Rose, is captured while trying to take down a bad guy drug dealer so the Digital Playground girls have to team up to save her. And we have a lot of sex in between. It's like the female version of *The Expendables*.

KAYDEN KROSS: It's kind of like the idea of *The Expendables* only we're all pre-30. (Laughs) We all have our specific talents...like Special Forces, combat stuff. Jesse was our team leader, we disbanded, we've moved on with our lives, but this is our last big thing because one of our own

A blonde woman with blue eyes is lying on a white bedsheet, looking directly at the camera with her mouth slightly open. She is wearing a thin necklace with a small pendant. Her hands are resting on her thighs. In the foreground, the legs and penis of a man are visible, partially obscuring the lower part of the woman's body.

**I've held a lot of things
that exploded in my
hand, but the feeling of
firing a gun was an
incredible turn-on.
—RILEY STEELE**

has been kidnapped. It's very scary. So we come out of retirement for this last go-round.

BIBI: I play an FBI agent, and the other girls are all trying to find Selena because she's being held captive. We're partners, but it's her fault for getting captured, not mine. (Laughs) At the end of the movie we all have a big orgy. You know how these movies end. (Laughs)

SELENA: It's an action/sex movie. It's a thrill to watch, complete with an all-girl orgy featuring the best of the best adult stars. I'm basically kidnapped in the movie and all my friends rescue me, and at the end we have an orgy. That's pretty much the whole movie.

STOYA: Bibi and Selena are doing some sort of drug bust and Selena fucks it up, possibly because she's an idiot. (Laughs) Jesse used to run the Special Ops team that all the girls used to work for. Bibi calls Jesse and convinces her to get the team back together. We go in, we free

the knucklehead, we have sex along the way for various reasons, and at the end because it is a porno, we punish the drug lord by reverse gang-banging him.

HS: *That's a nice way to punish someone.*

STOYA: That's a really strong deterrent. Instead of killing people and going to jail, if you kill people all of these beautiful women will fuck the shit out of you. Then we wouldn't need gun control. All of this is sarcasm. (Laughs)

HS: *Selena always seems to be the one who needs to be saved in every film.*

JESSE: I know! (Laughs) Selena is always the damsel in distress. I think it's because she's so little, she's so petite and cute, so sweet and innocent, that she would be the one that gets kidnapped.

SELENA: I think it's because I'm a brunette and most of the girls are blondes. They like to have the brunette standout. I'm Hispanic and they're American.

HS: *Can you describe your role?*

RILEY: I'm one of the bad ass girls. And I fly a helicopter.

KAYDEN: I apparently throw grenades. I blow stuff up. That's like the special thing that I do, explosives.

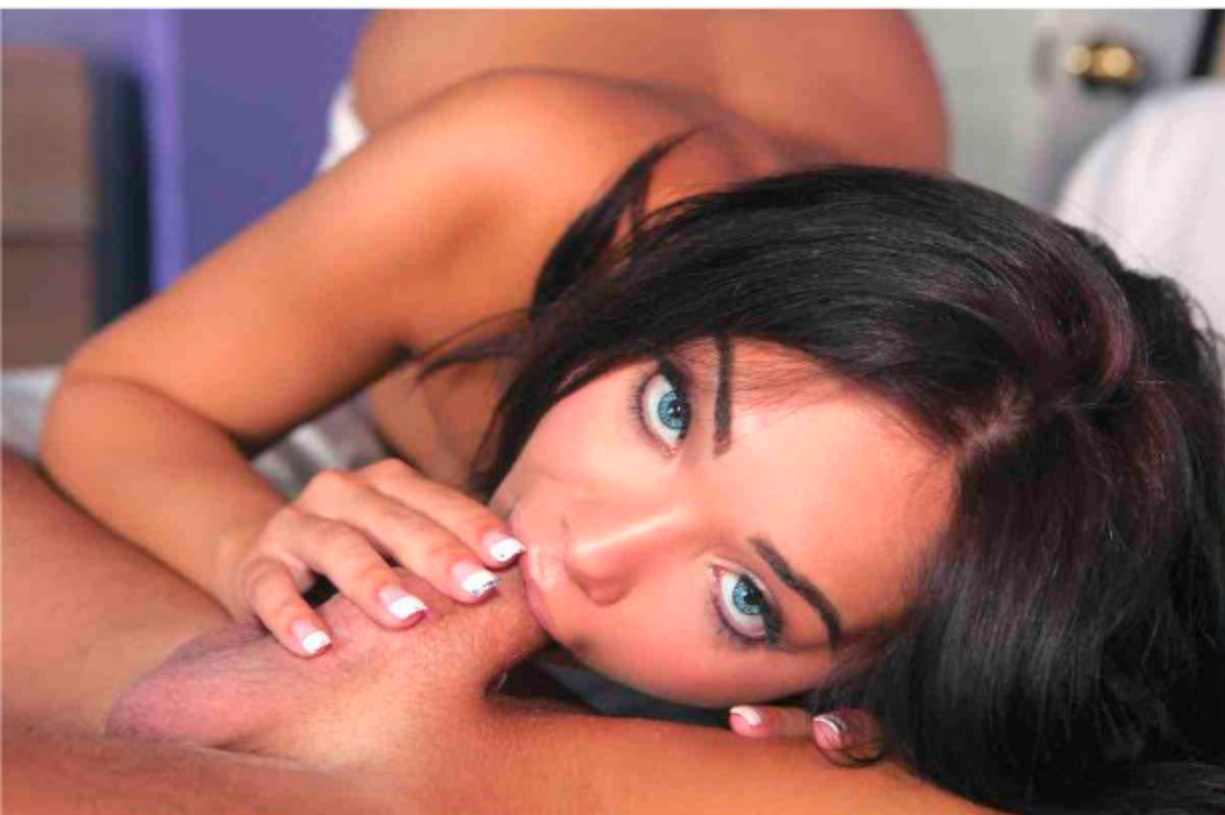

HS: *Did you have any input on your character?*

KAYDEN: I don't want to say it was formulaic, but it was kind of like the character I played in *Top Guns*.

JESSE: I always play the leader, the team captain-type person in these big movies. I think one, because it requires a lot of dialog and I guess I

We had a helicopter, we had a boat, and we had an army.
—JESSE JANE

put off the energy that I would be like that. So me, I'm that head girl who's trying to find my girls that were on my team. Trying to get back together, trying to rescue Selena because of my job as a leader, that's what I do. It's in my blood. I try to save everybody and Kayden is my go-to girl. Kayden and I buddy up, "Let's go." Stoya is our sniper because she's always the bad ass, "Don't fuck with me type girl." I just play the girl who wants everybody to complete one last mission.

HS: *In real life is that sort of the way it is? You're the leader and Kayden is your right-hand man.*

JESSE: It is. (Laughs) They write the script characters a lot to our personalities, so we don't have to go out of our way, almost, to play somebody else. I think that's why our movies always do so well, because (the characters) always play to our personalities and strengths, so it's not like we have to put that much acting into it. And I am that girl. They call me the big sister because I'm always taking care of everybody. I just do that, that's my personality.

HS: *Was shooting guns the best part about filming Code of Honor?*

JESSE: Yeah, it was because I'm a country girl so shooting guns is what I've done since I was a kid. So to go through firearms training again—your work is a day at the gun range shooting stuff—it was awesome. And I like shooting different guns that you normally don't get ever get to shoot in real life. You have to have on set a trained guy who has a license to carry certain weapons. That's always the highlight when we get to do any movie.

RILEY: Guns! I got to shoot them. (Laughs)

KAYDEN: We shot guns, we went on a helicopter, (and) we did some stuff in the lake. It was like the real thing.

BIBI: I was born and raised in Oklahoma. I grew up hunting, so getting to work with guns was really cool. I love hunting.

SELENA: We shot it (the film) for three weeks. It's a big feature. But in the movie I didn't shoot a gun. Just Jesse, Kayden, and Stoya. Bibi Jones is an FBI agent, I'm a DEA agent. We're the younger, cuter girls, and the older girls are more experienced and they save me.

HS: Do you all enjoy shooting guns?

STOYA: No, not at all.

KAYDEN: I do and I have. I don't do it often. I've gotten to shoot some really cool things. I was able to shoot an AKA 47 when I was in Bulgaria, done a lot of stuff with smaller handguns, rifles. It's fun. I don't do it often.

HS: *Did you also have to do any boot camp training?*

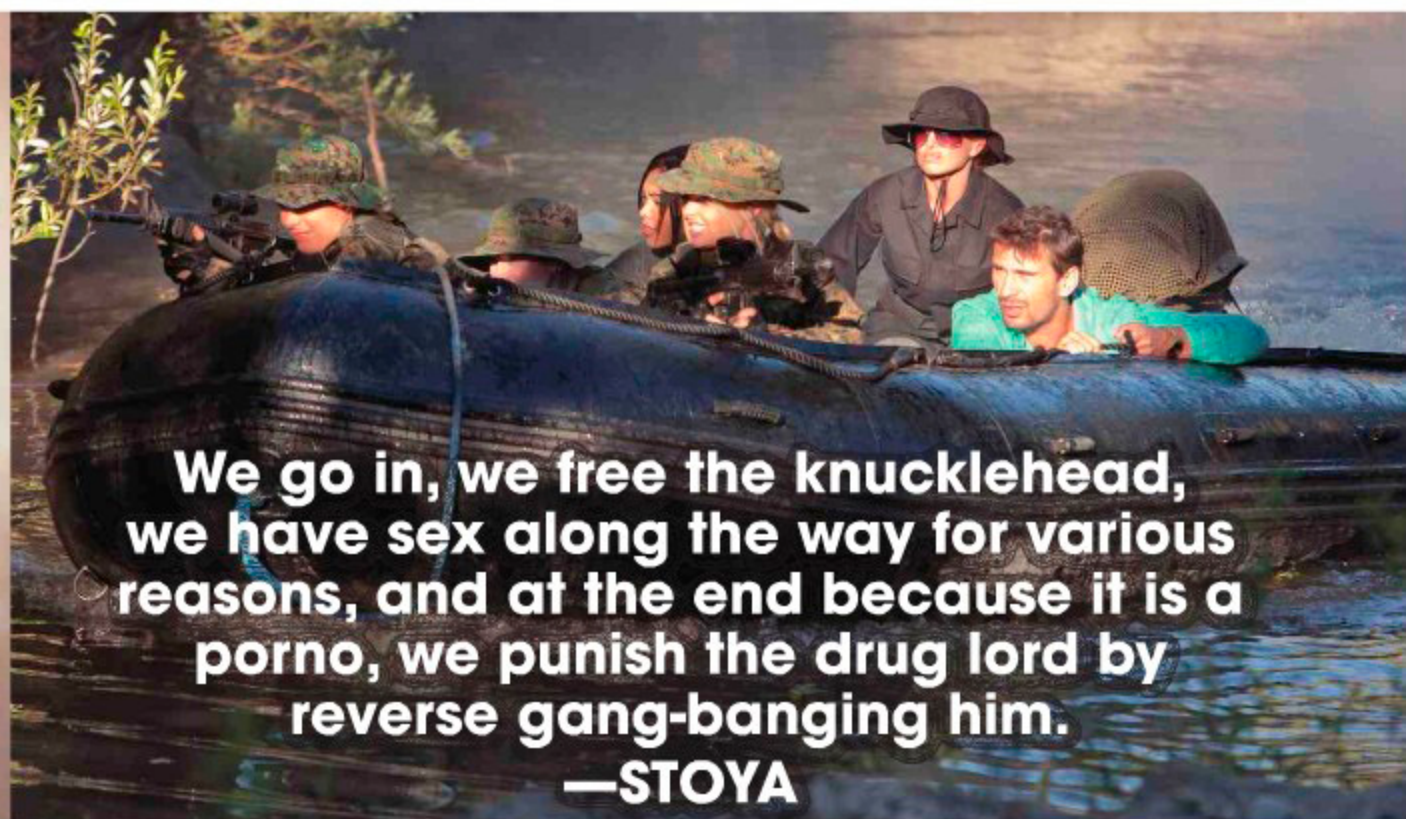

KAYDEN: We did not actually go to boot camp. We probably should have. We did not.

STOYA: They took us to a shooting range and they trained us all on the weapons. They had a guy right with us. Sometimes I would hit myself in the face with the sniper rifle because those things are unyielding. They're large and difficult to control.

HS: *Those were real weapons?*

STOYA: Mine was real. Jesse and Kayden had fake ones for the running

We go in, we free the knucklehead, we have sex along the way for various reasons, and at the end because it is a porno, we punish the drug lord by reverse gang-banging him.
—STOYA

around part and they only had to use the real ones when they were shooting, but they didn't have a fake sniper rifle. (Laughs) For once I didn't complain. We're running for days through the desert in these military outfits hauling this rifle around. Kayden picked it up once and went, "Jesus Christ." It was really heavy. A lot heavier than you would expect because it's so thin.

RILEY: Of the many things I have done in my life, firing a gun was not one of them until now. I've held a lot of things that exploded in my hand, but the feeling of firing a gun was an incredible turn-on.

JESSE: We did a lot of stuff when we went into the woods. We used real guns, it wasn't fake plastic ones. They were really heavy and half of them were as tall as me because I'm so little, and we had to actually maneuver with all our gear, all of the weapons, through branches, crawling.

HS: *It's porn, it doesn't have to look too realistic.*

JESSE: Girls like Kayden and Stoya and I, because it's such a big production and Robby (D) does such an amazing job on the scripts and shooting it, we really put a lot into it because it is a big movie.

HS: *Do you remember the type of gun you used?*

JESSE: I shot a Mac-10. I shot a couple of other ones. I shot a Steyr Aug, and then the other ones I'm not exactly sure what I shot because they kept changing.

HS: *What was it like shooting the film?*

JESSE: We spent three weeks shooting then during the very last week of the movie, we went to some remote desert two hours outside of LA. It was super-hot, we're in the desert fully-clothed in a porno with extra, extra clothes on. We're dying and there were just a lot of interesting things happening. One cool thing, and I came up with it because I

wanted it to look cool, there was a swamp and even though swamps

are gross, we were in camouflage so we all went underwater—Kayden, Stoya, and I—and came up simultaneously with our eyes open. They (the producers) thought it was going to be a pain in the ass, but they ended up letting us do it. Earlier, the water was cold, so, of course, they saved it for the last shot. The water turns ice cold. You float up wearing a bunch of clothes. So we're trying to do the simultaneous shot and we keep floating up at different times. It ended up being an hour process to get this one shot that

might only last 10 seconds, but it was awesome.

BIBI: Anytime I get to work with all the girls in one movie is the best part because we don't get to do it that often. We only get to do it once or twice a year. Getting to do that is really special to me. I looked up to all these girls before I got into the industry, so getting to work with them really means a lot.

HS: Stoya, you won the "Strongest Naked Woman" title on Howard Stern a few years back, so you're in pretty good shape. Because of your conditioning were you able to handle the rigors of the shoot?

STOYA: No. That's one effect and this is another effect. I do acrobatic stuff. I do aerial acrobatics, I train a lot, I live in New York, and I walk everywhere. I take stairs, but I did okay. Mostly it was the gross factor of stomping around the jungle set.

HS: When all of you started out doing porn did you ever think you'd be doing stunts like this? I'm sure you thought you were just going to have sex.

JESSE: Well yeah. Obviously, I did a little research before I signed with Digital Playground and I thought I was going to do these pretty, *Island Fevers* all the time. So to get to do these just got me more excited. I love doing this shit. I'm big into role-playing, so to get into another character and everybody else has to play along with you, it's fun.

KAYDEN: You know, I had no idea what I was getting into when I got into porn. And that's a good thing. I did not expect all the opportunities I've had, and I think the most intimidating thing for me at the time I came in was the potential embarrassment of trying to act. Luckily, there's not much of a bar that has been set. Also, I've had a lot of time to practice.

HS: Did anything funny happen on set that you can share?

STOYA: Nothing I can share, but things happen. (Laughs) Things always happen.

KAYDEN: When we were doing some of the stuff on the GoPro cam I

had it on my gun, and I got stuck crawling under a fence. It's supposed to be this really heavy, hardcore action sequence. I was supposed to come out running and I just struggled under the fence, and the camera

is just waving back and forth because all I can do is struggle. (Laughs)

HS: What guy did you have sex with in *Code of Honor*?

JESSE: I had sex with Keiran Lee, and I had a big, huge orgy with, of course, all the DP girls and Manuel. That was in the jail cell, which is always fun doing our orgies with all the girls and one guy. It was awesome because all the girls that work here are hot, they're fun, and they're kinky, dirty, little bitches, which I love. Let's just say that one (*Code*) may have been one of the crazier group scenes we did. I'll leave it at that.

RILEY: Erik Everhard. The thing is I have had sex with him before in *Digital Playground* movies, so I wanted to go harder this time around and make it extra special. So when you watch the movie, you are caught up in the moment.

SELENA: Tommy Gunn. I worked with him before in *Top Guns*. I was the mechanic and all the girls were pilots.

BIBI: In this movie I didn't have a sex scene. It was all acting. I wasn't even in the orgy. I was definitely frustrated. (Laughs)

KAYDEN: Manuel, and then the big orgy scene has Manuel (in it), and I do a scene with Tommy Gunn.

HS: Was Manuel a convincing bad guy?

KAYDEN: He was convincing as his character. He was kind of like a funny bad guy. He bumbled a few things. He's French, you know. (Laughs)

HS: Why are military guys and women sexy in your opinion?

JESSE: I don't know. Everybody has a military fantasy. I don't know if it's the gear, everybody looks good in green. It's like they're supposed to be the protector and some bad ass, the server of the country. I don't know. People in uniform, they're hot.

KAYDEN: Something about a uniform, something about that hard way of viewing the world. The potential violence, it's almost like a religion when people get into something like that when they're a part of it. It's a mindset.

BIBI: Them defending our country is the sexiest thing. Wanting to take that risk for us I think is incredible. It really means a lot to me that they can do that. I have a lot of military fans and a lot family in the military.

STOYA: People are sexy. Not all people are sexy. Some people are really sexy, but some people are really not sexy. Some people are hot, but their personalities are so awful, that you're like, "Oh my god. I wanted to fuck you until you opened your mouth." Bleh! So I'm sure there are lots of military people who are super sexy. I can see how the strength and virility and stamina and courage, all of those qualities, the moral appeal of your willing to sacrifice your actual life or at least two or three years of it, training and defending our country is hot. Israeli military kids are really fucking hot, every single one of them. I have no opinion on the politics of Israel and Palestine, but right before they were gearing up for the recent scuffle, they were all Instagramming pictures of themselves in their uniforms. They were really hot. I'm not even sure if they were 18, I should not be thinking these thoughts, but my goodness.

HS: Bibi, how does it feel to be back?

BIBI: I'm really happy to be back. I took a little break from the industry, but I'm really happy. It's really good to see everyone. I feel as though I never even left. I missed it a lot.

HS: What's in store for 2013?

BIBI: I want to go hardcore this year. I want to do stuff that I've never done before.

HS: Like anal?

BIBI: Maybe. (Laughs)

HS: What was the hottest sex scene you shot in 2012?

JESSE: I really do well with Erik Everhard. One of the scenes, I can't tell you which movie it is because I don't know, we literally broke the bed. We went so crazy and so rough, and then at one point somebody had to go under there and hold it up. (Laughs)

KAYDEN: It was with Manuel in a movie that hasn't been released yet. The scene we had was just spectacular.

BIBI: It was in *Homewreckers 4* with Tony Ribas and Erik Everhard. It was a turn on, it was so hot. I squirted for the first time.

SELENA: My scene in *Code of Honor*.

RILEY: Probably the group sex scene in *Code of Honor*. That was hot! You had Jesse Jane, Stoya, Kayden, Selena Rose, and me all teaming up on Manuel Ferrara. That was a good day.

STOYA: I think you should encourage everyone to watch all of the scenes I shot in 2012, and purchase them from Digital Playground—wink, wink—and then we can have a discussion in which the public can decide.

HS: Any final words to

your fans reading this in HIGH SOCIETY?

KAYDEN: Thank you for being my fans. Stay my fans please, you're all so awesome.

BIBI: Thank you for following me and I will not disappoint you.

SELENA: Follow me on Twitter @RealSelenaRose, and my Instagram is Real Selena Rose.

STOYA: I want to say to them what I just said, which was a shameless plug for Digital Playground. (Laughs)

CHANEL PRESTON

KIMBERLY KANE

LEXI BELLE

TASHA REIGN

STARRING: ANDY SAN DIMAS, BRANDY ANISTON, CHANEL PRESTON, KIMBERLY KANE, LEXI BELLE AND TASHA REIGN WITH ALEC KNIGHT, DERRICK PIERCE, ERIC MASTERSON AND STEVEN ST. CROIX **DIRECTOR:** DAVID LORD **STUDIO:** SWEET MESS FILMS/EXQUISITE

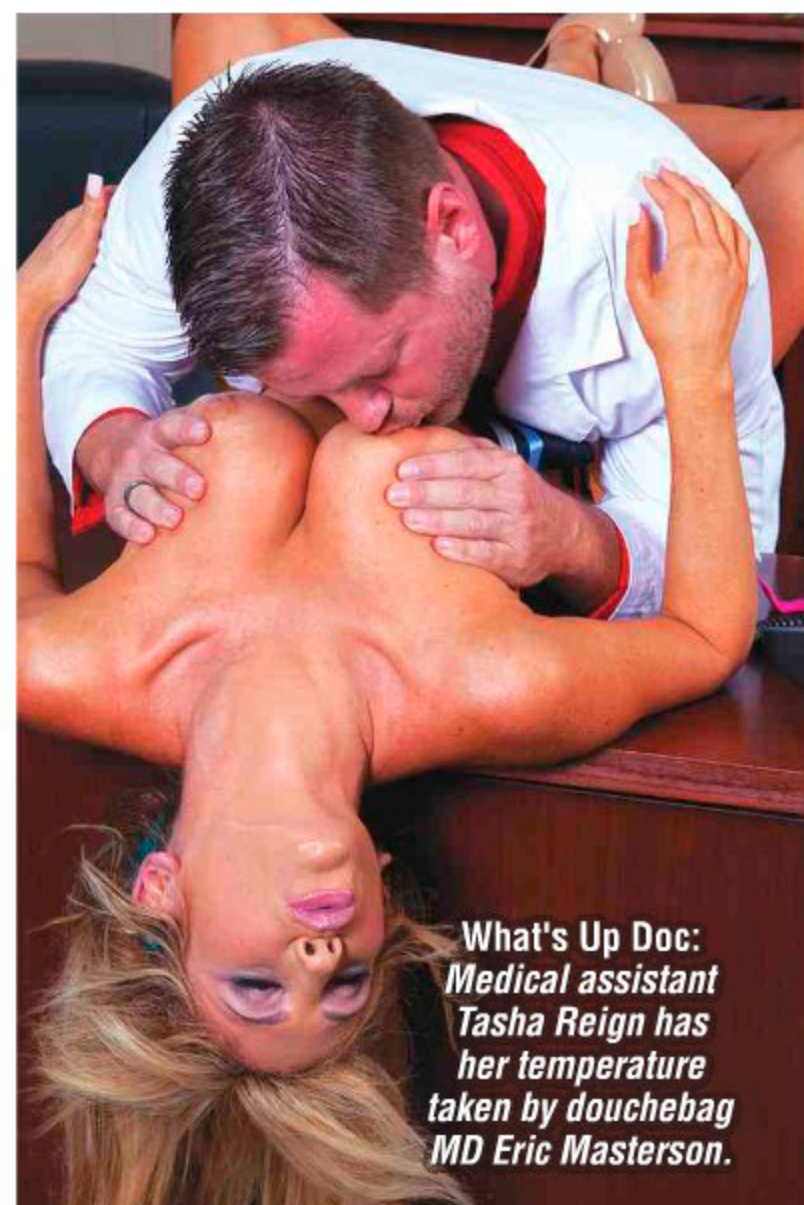

In a not-so-distant but oh-so-terrible future, California has outlawed porn. Our Walter in this sleazy rip-off of the hugely popular TV show, *Breaking Bad XXX*, is a filmmaking teacher. His brother-in-law is a vice cop and brings him along on a porn set bust—a little something for his 40th birthday, just to cheer up the old boy.

Parody Walter is also a cancer survivor and the disease has caused him trouble with his hard-on. He pleads with his doctor for some meds, but doc says they [the pills]

were outlawed along with porn. While Walter is clearly interested in nurse Tasha Reign's bulging bustline, even it won't get him hard. He's truly a case for this medical professional, who takes the care right out of healthcare. Almost shooing Walt away, we see that as soon as the doctor runs him out of the office he's running his hands all over the curvy medical assistant, giving her all his cum-passion.

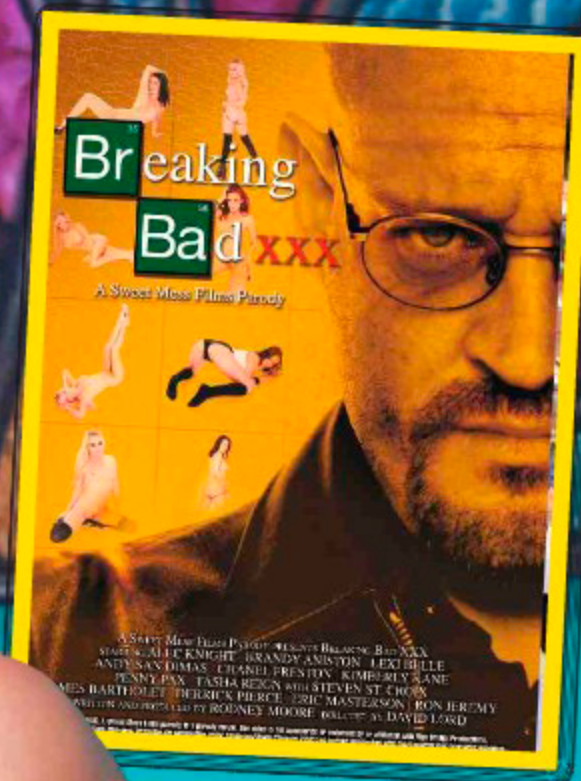

He takes her temperature by shoving his cock in her mouth, and then continues the physical by fucking her shaved twat on the desk as she squeals in approval at the doctor's enlightening medical techniques. She learns so much!

His cock probing her from every angle, it's clear that she is in excellent physical condition, but he continues his inspection. Still, the doc prescribes some special medicine, which he has hidden in his cock and then squeezes out onto her breasts. She rubs it in and then puts his cock in her mouth for quicker oral relief. This is the kind of personal attention rarely seen in medical care today.

What's Up Doc: Medical assistant Tasha Reign has her temperature taken by douchebag MD Eric Masterson.

Large Pie, Extra Sausage: Pizza dude
Derrick Pierce delivers a schlongwurst to
Chanel Preston's rusty bullet hole.

The buffoonish do-gooder of a brother-in-law is played brilliantly by James Bartholet. For Walter's birthday he takes him on a porn-shoot bust. Chanel Preston and Derrick Pierce play porn stars and they couldn't be more realistic at showing him how one successfully bangs a chick up the ass.

Derrick is the pizza guy and Chanel the French maid, two occupations that when mixed have always broke out into porn scenes. The pizza box is discarded before it's opened and soon Derrick is delivering orgasms to the brunette sexpot, first with a finger-and-tongue combo, then with an order of sausage that threatens to turn her pussy into hamburger. Before Johnny Law can bust in and spoil the fun, Derrick gives her one free topping splashed right into her mouth.

Walt runs into Jessie (Brandy Aniston), his former student and soon-to-be-partner, on the set. She tells Hank that before arresting her maybe he should pull up the governor's number from her cell phone. He does and she is told to get out using the back door. Walt sees her model release—which has her phone number and address—and takes a photo with his phone. He has a business idea and shows up at Jessie's to share it later. Jessie has something to share, too—a little blue pill and more if he wants it. Citing nuptial loyalty, he takes

the pill and runs home to his wife (Kimberly Kane).

After years in a sexless relationship, Kimberly is very pleasantly surprised and obviously hasn't lost her cock-sucking talent over the years. He has no trouble keeping it up, plowing into his wife's hairy gash as they both unleash years of pent-up sexual frustration. The years melt away from Kimberly as she rediscovers her sexuality, at first happy to lie back and let him pound her, but eventually she is getting fucked just like her young self, her wetness making it easier to break the seal that had been allowed to reform on her Mrs. beaver. She recognizes her husband's need to cum and having only dreamed of it for so long, she rushes to swallow his gushes. "Oh, wow!" she eeks out between swallows, having forgotten what it's like to have man-goo fill her mouth. "How many of those pills can you get?" she asks once she's caught her breath.

Walt's plan for his former student is to relieve California of its barbaric anti-porn laws by setting up a threesome starring Brandy, pal Lexi Belle, and the governor (Steven St. Croix). It's easy to pull off—these two beauties fighting over your cock is enough to lure any guy into serious trouble. He is in deep even before Lexi sits on his face while Brandy goes at his cock in double-time, Lexi completing the

French maid Chanel Preston takes a load of dick cheese to the face and chest by follically challenged pizza delivery man Derrick Pierce.

*Once limp-dicked, a little blue pill transforms
Walter's pecker into a formidable battering ram.*

circle by reaching over and fingering Brandy's dripping, wet hole.

That politician's wang is soon in her pussy and Brandy doesn't appear to be acting, considering how serious she seems to be taking her session. That little squealer Lexi is so anxious to get in on it that she moves in behind, watching, massaging his balls, licking Brandy's ass, her girlish enthusiasm burning through as she dreams of one more cock entering her young body.

She doesn't have to wait long and her deep, quick breaths threaten to suck all the air out of the room. Brandy gets her fingers below the Lexi fuzz, playing with her clit and we have two happy starlets getting banged by Gov. Anti-Porn. The little grinder Lexi seems to be almost suspended in mid-air as the cock pounds her and Brandy's hand keeps her pussy clenching as she cums. The girls

switch roles and holes a few times, and director Walt gets his money shot perfect, a white rainbow that goes mostly into Lexi's mouth and then is shared with her busty co-star.

It's a dirty double-cross that Brandy has played on her boy-toy governor, but it pans out and porn again is legal. Brandy celebrates by doing a scene with redheaded, small-breasted, and horny-as-ever Andy San Dimas. While there might be plenty to be said for the thrill of living outside the law, there renewed legality doesn't appear to take any of the steam out of this matchup and the girls are delighted as they figure out how to coax orgasms out of each other. A happy ending, just like porn is supposed to have. And you know who's working behind the camera now?

Anti-porn gov Steven St. Croix buries his bone in constituents Brandy Aniston and Lexi Belle's holes.

BURNING-HOT BRUNETTE

One look from brunette stunner **Kortney Kane's** gorgeous crystal blue eyes and the leggy lass gets everything and anything she wants. It's safe to say that this busty babe has probably never ever heard the word "no" in her life. And that's just the power of her peepers. Once she takes off her bikini and reveals her luscious legs, her tight tummy, her amazing ass, and her perfect poon, and it's doubtful any man could even manage to muster any coherent vocalization. Even the birds seem to be awfully quiet as the sexy sex fiend suns her naked body by the pool. Who needs conversation when you look this damn good!

We decided to crank up the heat in August with some anal atrocities we'd like to share with our viewing audience. **Anissa Kate** sits on a dick to pack her ass with pecker, but this slut still needs to cram her fingers into her honeypot to truly get off! **Alice** and **Jelena** compare cup sizes in a steamy lesbo breast-fest that'll keep you jerkin' your gerkin long and hard! **Staci Silverstone** doesn't need to hump a bone to look yummy enough to eat (out), but **Defrancesca** fits a dick in her delicious derriere and enjoys the ride. You'll enjoy yourself too in this can't-miss issue of slamming summer fun, on-sale **May 14th!**
